

JANICE E. GRAHAM

Professor and Canada Research Chair in Bioethics
Department of Bioethics
Faculty of Medicine, Dalhousie University
5849 University Avenue, C-315
Halifax, Nova Scotia
CANADA B3H 4H7

Phone: (902) 494-1897
Fax: (902) 494-3865
Email: janice.graham@dal.ca

Bioethics Web: <http://bioethics.medicine.dal.ca/people/jgraham.php>
Research Web: www.trru.ca

EDUCATION AND CERTIFICATION

- Certificate, Teaching in Higher Education, University of British Columbia, 2000
- Post-doctoral Fellowship, Geriatric Medicine/Neuroepidemiology, Dalhousie University (Alzheimer Society of Canada), 1996-1998
- Post-doctoral Fellowship, Geriatric Medicine/Neuroepidemiology, Dalhousie University, (Faculty of Medicine), 1995-1996
- Ph.D. Anthropology, Université de Montréal, 1993-1997
- Graduate coursework, Clinical Epidemiology & Biostatistics, McMaster University (1982-84), Epidemiology & Community Medicine, University of Ottawa (1991)
- M.A. Anthropology, University of Victoria, 1980-1982
- B.A. (Honours), Anthropology, University of Waterloo, 1976-1980

HONOURS & AWARDS

- Canadian Who's Who, 2009 edition
- Canada Research Chair in Bioethics, Dalhousie University, 2002-2012
- Arts Alumni Achievement Award, Faculty of Arts, University of Waterloo, 2003
- Anthropology Silver Medal Award lecture, University of Waterloo, 2001
<http://anthropology.uwaterloo.ca/event2001silverlecture.html>
- Canadian Institutes for Health Research (CIHR) New Investigator Career Award, 1999-2005 (terminated July 2002 upon accepting Canada Research Chair; awards cannot be held concurrently)
- Burwell Endowed Chair in Medical Anthropology, University of British Columbia, 1998-2002
- Department Merit, Faculty of Arts, University of British Columbia, 1998-2002
- Dean's Merit, Faculty of Arts, University of British Columbia, 1999
- Alberta Heritage Foundation for Medical Research Visiting Lecturer, 1999
- Alzheimer's Society of Canada Post-doctoral Fellowship, 1996-1998
- Faculty of Medicine, Dalhousie University, Post-doctoral Fellowship, 1995
- Association of Canadian Universities for Northern Studies Studentship, 1984-1985

- Presidential Committee on Northern Studies Award, McMaster University, 1983-1985
- Ontario Graduate Scholarship, declined, 1985
- McMaster University Doctoral Graduate Scholarships, 1982-1985
- University of Victoria Graduate Fellowships, 1980-1982
- Sarah Spencer Foundation Scholarship for Applied Research, University of Victoria, 1981-82

EMPLOYMENT

CURRENT ACADEMIC APPOINTMENT

- Professor, July 1 2008 – present Department of Bioethics, Faculty of Medicine, Dalhousie University
- Associate Professor, Department of Bioethics, Faculty of Medicine, Dalhousie University, 2002-2008
- Cross-Appointment, Department of Sociology and Social Anthropology, Faculty of Arts and Social Sciences, Dalhousie University, 2002-present
- Faculty of Graduate Studies, Dalhousie University, 2002-present
- Canada Research Chair in Bioethics, 2002-present
- Scientific Director, Technoscience & Regulation Research Unit (www.trru.ca)
- Scientific Director, Qualitative Research Commons & Studio (QuRCS), Dalhousie University

LEAVES

Sabbatical, July 1, 2006-June 31, 2007

PREVIOUS ACADEMIC APPOINTMENTS

- Associate Professor, Burwell Chair in Medical Anthropology, University of British Columbia, Department of Anthropology & Sociology (1998-2002). Tenured July 1, 2001
- Research Scientist, Department of Geriatric Medicine, Dalhousie University (1996-1998)
- Lecturer and Adjunct Faculty, Department of Community Health & Epidemiology, Dalhousie University (1997-1999)
- Adjunct Faculty, Department of Sociology and Social Anthropology, Dalhousie University (1996-1998)

OTHER EMPLOYMENT

- Research Associate, Project IMAGE, Genetic Epidemiology Research Centre, Centre hospitalier Côtes de Neiges, Université de Montréal, 1993-1995
- Project Officer/Research Coordinator, University of Ottawa, Department of Family Medicine and Department of Epidemiology and Community Medicine, 1988-1993

- Program Evaluator, Department of Recreation & Culture, Woman & Sport, City of Ottawa evaluation contract, September 1991-April 1992
- Principal Investigator, Centretown Community Health Centre, Ottawa, "Health needs of inner-city homeless", April-August 1991
- Research Principal Investigator, Elisabeth Bruyere Health Centre, Ottawa evaluation research contract of occupational therapy program for continuing-care, frail elderly, December 1990 - April 1991
- Research Writer, E.T. Jackson & Associates, Ottawa, Community report Inuit Human Resource Development Strategy, Keewatin Region, NWT. January-August 1998
- Community Development Coordinator, Weenusk Cree Band Council, Winisk and Peawanuck, Ontario, April 1985 - April 1987
- Research Associate, Technology Assessment in Subarctic Ontario (TASO), McMaster University, November 1982 - November 1987
- Archaeology Field Assistant, Sir Wilfrid Laurier University, Huron Site, Coldwater, Ontario, May-August 1980
- Research Assistant, University of Waterloo, University of Victoria, McMaster University, September 1979 - April 1984

SCHOLARLY RESEARCH ACTIVITIES

SUMMARY

Total Refereed Publications	74
Total Research Reports	20
Total Papers Presented at Scholarly/Professional Conferences	186
Total Research Grants Received	38
Total Principal Applicant	\$ 4,271,699
Total Co-Applicant	\$ 15,385,028

RESEARCH AREAS

- anthropology of science, technology and medicine
- regulation of pharmaceuticals, biologics and genetic therapies
- international and public health
- culture and vaccines
- integrative approaches to anthropology, epidemiology and bioethics
- indigenous methodologies
- diagnostics of cognitive impairment, dementia and normal aging
- databases as cultural texts

- “The Will to Go On”: The Role of Ritual in Survival for the Institutionalized Elderly. *Symposium on the Role of Belief in the Healing Process, and Workshop on Transcultural Issues in the Healing Process*, McMaster University, Hamilton, Ontario, October 1983
- Friendship and Despair: Ethnography of a long-term care facility. *Canadian Ethnology Society*, Vancouver, British Columbia, May 1982

Invited Speaker (52)

- Invited Speaker for the Community and Population Health Research (CPHR) training Program and the Saskatchewan Population Health and Evaluation Research Unit (SPHERU) conference “New Directions in Population Health Research: Linking Theory, Ethics and Practice.” University of Saskatchewan, November 12-14th, 2008.
- Invited Speaker. “Accessing and Rights of Access” Society for the Arts in Dementia Care. Creative Expression, Communication and Dementia: Mindscapes 2008, May 2008 Vancouver, BC <http://www.cecd-society.org/2008/>
- Invited Speaker. “Smart regulation, progressive licensing and the myth of deliberative democracy: Regulatory Practices at Health Canada.” University of Manitoba, Community Health Sciences Colloquium & Grand Rounds, April 18th, 2008.
- Regulating Biopharmaceuticals. Regulating Biotechnologies Symposium, Leeds Social Science Institute. Organized by Anne Kerr, University of Leeds, U.K. July 24-25, 2006. <http://www.leeds.ac.uk/sociology/conference/conference.htm>
- Graham, Janice. Counting Meanings, Disappearing Memories, Re-Constructing Pharmacological Treatment Efficacy. Canadian Anthropology Society, May 12, 2006.
- From a NOD to a NOC with a wink: smart policy and regulatory practices. Department of Community Health & Epidemiology Colloquium, Dalhousie University, Halifax, December 6, 2005.
- “Money & Drugs” Plenary speaker for Town Hall session, Annual Meeting, Canadian Bioethics Society, Halifax, Oct. 22, 2005.
- “Facilitators and Barriers of Conducting Methodologically Rigorous Research in Drug Policy and Medication Management in the Real World”. www.impart.pharmacy.dal.ca, IMPART Research Unit (Initiative for Medication Management, Policy Analysis, Research & Training), College of Pharmacy, Dalhousie University, September 23, 2005.
- “Looking Back, Looking Forward: lessons for governing emerging technologies.” Genome Canada, Ottawa, Sept 22, 2005.

- Presentation, Health Canada: “A Cultural Study of Regulation”. Biological & Genetic Therapies Directorate, Health Canada, Sept 21, 2005.
- Health Canada: “A Cultural Study of Regulation”. Biological & Genetic Therapies Directorate, Health Canada, Sept 21, 2005.
- Regulatory Cultures. Works in Progress Colloquium, Department of Bioethics, Dalhousie University, Halifax, Sept 19, 2005.
- Navigating the Descriptive/Normative divide: Response at CIHR Training Programme Retreat, Dunsmuir Lodge; May 15-19, 2004
- Global harmony and smart regulations: into Big Pharma we commend our trust. Invited paper for session Psychotropic medications as translocal objects: an inquiry into critical pharmacology, Annette Leibing, organizer. Joint meeting of the Society for North American Anthropology, Canadian Anthropology Society and Yucatan Anthropology Society, May 8, 2005. Merida, Mexico.
- Genomics, Genetics and Society: Bridging the Disciplinary Divides. Toronto, CIHR Institute of Genetics; April 15-17, 2004
- Genomics, Health & Society. Ottawa Symposium. Policy Research Initiative, the Canadian Biotechnology Advisory Committee, the Canadian Biotechnology Secretariat and Health Canada. Ottawa Congress Centre, March 24-25, 2004
- Presentation to Rx&D, Canada’s Research Based Pharmaceutical Industries. Ottawa; February 24, 2004
- Presentation to BIOTEC Canada and Biologics and Genetic Therapies Directorate. Health Canada, Ottawa; February 23, 2004
- Canadian Health Coalition. Safety Last. Ottawa Congress Centre, January 28, 2004
- Seniors Psychosocial Interest Group. Developing a senior’s psychosocial research agenda in Canada. Canadian Invitational Symposium on Removing Barriers to the Use of Psychosocial
- Approaches to Support Seniors’ Mental Health, in Practice, Policy and Research. An initiative of a Health Canada Population Health Fund project “Psychosocial Approaches to the Mental Health Challenges of Late Life” awarded to the BC Psychogeriatric Association. Winnipeg, Manitoba; October, 2003
- Tales from the Field. Pitfalls and Passions of Anthropological Fieldwork. Department of Sociology and Social Anthropology, Dalhousie University, Halifax, NS March 20, 2003
- Dementia, aging and pharmaceuticals: connecting the local to the global. Anthropology Silver Medal Lecture, University of Waterloo, November 15, 2001
<http://anthropology.uwaterloo.ca/event2001silverlecture.html>
- Diagnostic Artifacts and Social Realfacts: Forgotten Memories and Memorable Performance. Department of Occupational Therapy, University of Illinois at Chicago, May 23, 2001
- Transforming the Disorder into Relations of Sickness. Canadian Anthropology Society meetings, Montreal, Quebec, May 3, 2001
- Strategically Coping with Alzheimer’s Disease: an evidence-based exploration of everyday patient and caregiver approaches (with Fay S and Bassett R). *Alzheimer Society of Canada Annual meetings*, Halifax, Nova Scotia, April 5-7, 2001

- Matters of the Heart and Mind: Negotiating personhood and dignity among older people with dementia. *Alzheimer Society of Canada Annual meetings*, Halifax, Nova Scotia, April 6, 2001.
- Going to Market: Apocalyptic Gerontology, Big Pharma, and the Regulators. *Centre on Aging and Department of Anthropology*, University of Victoria, March 16, 2001
- Diagnostic Artifacts and Social Realfacts: Regulating Drugs in a BigPharm World. *Centre for Health Services and Policy Research*, University of British Columbia, January 16, 2001
- International Harmonization and National Health & Safety: Regulating the Regulators in a BigPharm World. Paper for Invited Session: Making Other Practices Matter: Science, Coloniality, Redress, reviewed by American Ethnological Society. *99th Annual American Anthropological Association Meetings*, San Francisco, November 16, 2000
- A Political Economy of Hope: The Transition from Diagnostics to Therapeutics in Alzheimer's Disease. *Green College Speaker's Series*, University of British Columbia, February 29, 2000.
- Exploring Narratives of Disease, Disability & Trauma. *Peter Wall Institute Symposium*, Discussant: Vancouver, British Columbia, January 15, 2000
- Locating socio-cultural factors associated with cognitive impairment: a wild profusion is hidden inside (with Wentzel C, MacKnight C). *Canadian Association on Gerontology, 28th Annual Scientific and Educational Meeting*, Ottawa, Ontario, November 4-7, 1999
- If Meaning Counted: Measuring E/Affect in Clinical Therapies. *Society for the Social Studies of Science*, Boston, Massachusetts, November 4, 1999
- The ACADIE Study: a multi-centre qualitative exploration of treatment expectations of people with Alzheimer's disease and their caregivers in Atlantic Canada. *Alzheimer Society of Nova Scotia*, Halifax, Nova Scotia, July 12, 1999
- Qualitatively defining patient expectations and treatment effects of anti-dementia medications: exploring and expanding clinimetrics. *Dept of Health Care and Epidemiology Research Rounds Invitation*, Faculty of Medicine, UBC, March 5, 1999.
- Hoping for the Best & Fearing the Worse: Reifying Terra Incognita in treated Alzheimer's disease. Alberta Heritage Foundation for Medical Research Visiting Professor Lectures, Feb 15-20, 1999. Series of four lectures given at the University of Calgary and the University of Alberta.
- Reifying Terra Incognita in Alzheimer's disease. Facing Life: The Body in dis/ease - an interdisciplinary symposium, Hampton Foundation, University of British Columbia, February 5, 1999.
- Measuring and Treating the Unknown: Reifying Terra Incognita. Presentation for the joint meetings of the Society for Social Studies of Science and Environmental Studies Association of Canada, Halifax, Nova Scotia, October 28-November 1, 1998
- Organism and Environment. Society for Social Studies of Science, Halifax, Nova Scotia, Chair & Discussant: October 1998
- Hoping for the Best and Fearing the Worse: Expectations of Treatment in Alzheimer's Disease. *Canadian Anthropology Society*, Toronto, Ontario, May 1998
- People suffering from Alzheimer's disease: targeting a disease/perceiving an illness. *Dept of Anthropology and Sociology*, University of British Columbia, April 16, 1998

- Treating Alzheimer's disease: measuring hopes and dreams. Dept of Sociology & Social Anthropology Speakers Series, Dalhousie University, Halifax, Nova Scotia, October 3, 1997
- Cognitive impairment among elderly Canadians: health and policy implications. Alzheimer's Society of Canada Annual Meeting, St. John's, Newfoundland, April 18, 1997
- Vector Diagnostics: Identifying Co-morbidity in Dementia (with Mitnitski AB, Mogilner AJ, Rockwood K). *Dalhousie University Department of Medicine Research Days*, Halifax, Nova Scotia, 1997
- An algorithmic approach to the differential diagnosis of dementia (with Mitnitski A, Mogilner A, Rockwood K). *Department of Medicine Research Days, Dalhousie University*, Halifax, Nova Scotia, May 1996
- Evaluation clinique de la démence/Clinical Assessment of Dementia (with Rockwood K, Beattie BL, McDowell I, Eastwood, MR, Gauthier S). *Royal College of Physicians and Surgeons of Canada*, Montréal, Quebec, Sept. 17, 1995
- Options for data collection and registry. *C5R-PMAC-MRC Initiative for Longitudinal study of Dementia in Canada*, Ottawa, Ontario, March 1994
- Critical review of the Clinical Assessment in CSHA-1. *National Clinical Investigators Meeting*, April 23, Minto Place, Ottawa, Ontario, 1994
- Metaphor and the Study of Aging: Theory and Practice in a Long Term Care Setting. *Research Colloquium Series, Elisabeth Bruyere Health Centre*, Ottawa, Ontario, 1988
- The Ethnography of a Nursing Home. *Erindale College*, University of Toronto, 1984
- Anthropological Gerontology. *Dept of Anthropology*, University of Waterloo, 1983

Consultation (12)

- Drug Safety Effectiveness Network Workshop: Potential Legal and Ethical Risks Associated with Post-Market Drug Surveillance Research. Canadian Institutes of Health Research. March 6, 2009. Toronto, Canada.
- Panel on Research Ethics: Navigating the Ethics of Human Research. Tri-Council Policy Statement (TCPS) Regional Consultation Tour. March 5, 2009. Halifax, Nova Scotia.
- African Vaccine Regulatory Forum (AVAREF), Ouagadougou, Burkina Faso, Africa. September 2007
- Health Canada, Progressive Licensing Project – Mock Framework Consultation 3. Post-Licensing. Ottawa, June 11-12, 2007
- Health Canada, Progressive Licensing Project – Mock Framework Consultation 2. Licensing. Ottawa, May 29-30, 2007. <http://www.cmaj.ca/cgi/content/full/176/13/1845>; http://www.hc-sc.gc.ca/dhp-mps/homologation-licensing/index_e.htm
- Health Canada, Progressive Licensing Project – Mock Framework Consultation 1. Regulatory Planning. Ottawa, May 28, 2007. <http://www.cmaj.ca/cgi/content/full/176/13/1845>; http://www.hc-sc.gc.ca/dhp-mps/homologation-licensing/index_e.html
- World Health Organization, Expert Committee on Biological Standardization Annual meeting, Geneva; Oct 23-27, 2006. WHO Report produced: WHO (2006)

Recommendations to assure the quality, safety and efficacy of Group A Meningococcal Conjugate Vaccines.

- British Columbia Ministry of Health consultation on funding of Alzheimer's treatments, July 2006, Vancouver
- World Health Organization, Invited observer to Scientific and Technical meeting, WHO International Standardization of Biologics consultation on serogroup A Meningococcal A (African conduit) conjugate vaccine, Geneva; June 22-23, 2006.
- Commentator, Review of Research. SSHRC-ERA-SAGE. "Trends in North American Research on the Ethical, Legal and Societal Aspects of Genomics." Ottawa, May 22-23, 2006.
- The Polio Vaccine: The First 50 Years and Beyond. International Association for Biologicals Conference. Toronto, June 5-7, 2005.
<http://www.dimes.on.ca/events/iabs.asp?sect=curr>
- Discussant: Applied Anthropology Roundtable. Congress of the Canadian *Anthropology Society*, Calgary, Alberta, May 4-7, 2000

Consultation (Government and Community) (17)

- Canadian Agency for Drugs and Technologies in Health (CADTH), 2009.
- Expert Advisory Panel on the Special Access Programme, Health Canada (Chair). 2008.
- Health Canada and Office of the Chief Scientist, July-August, 2007
- Pharmaceuticals Division, British Columbia Department of Health, Alzheimer's disease Forum, July 2006.
- Invited Commentator, Review of Research. SSHRC-ERA-SAGE Workshop "Trends in North American Research on the Ethical, Legal and Societal Aspects of Genomics." Ottawa, May 22-23, 2006.
- Health Regulation Research Consultation Conference, Health Policy Research Program, Health Canada, Public Health Agency of Canada, Pest Management Regulatory Agency, Ottawa, March 22-23, 2006.
- National Pharmaceutical Strategy Workshop, Ottawa, Health Canada, Sept 13-15, 2005.
- Canadian Coordinating Office for Health Technology Assessment (CCOHTA), 2004, 2005.
- Arts Alumni Achievement Award Selection Committee, University of Waterloo (2004).
- Member and Reviewer, Therapeutics Initiative, British Columbia Office of Health Technology Assessment (BCOHTA) (2000-2002).
- Integration of Qualitative Research Methods to the Vancouver Hospital and Health Sciences Centre Discharge Planning Unit, Vancouver Hospital & Health Science Centre (2000-2001).
- Advisor, Clinical Teaching & Research Unit, Purdy Extended Care Unit, Vancouver Hospital & Health Sciences Centre (1999-2001).
- Continuing Care Clinical Practice Unit, Vancouver Hospital & Health Science Centre (1999-2000).
- Short Term Assessment & Treatment Centre, Vancouver Hospital & Health Science Centre (1998-1999).
- Board of Directors, Octopus Books Collective, Ottawa (1987-1993).
- Women's Committee, AIDS Committee of Ottawa (1989-1992).

- Board and Volunteer, Sexual Assault Support Centre, Ottawa-Carleton (1987-1990).

Invited Workshop Presentations (21)

- “Regulatory modernization and relevant expertise”. Technoscience and Regulation Research Unit presentation to Health Canada Atlantic Staff Retreat, Wolfville, Nova Scotia. December 4, 2008.
- “Regulatory modernization and relevant expertise”. Technoscience and Regulation Research Unit presentation to Health Canada Atlantic, Halifax, Nova Scotia. October 21, 2008.
- A symmetrical approach to regulation: will the scientists and policy wonks please rise? “Regulating Biotechnology Products: at the interface between science and ethics.” Université Laval, Institut d’éthique appliqué, March 20, 2008.
- Behind closed doors: Negotiations for the regulatory approval of drugs. Drug Trajectories V. Ways Of Regulating: Therapeutic agents between plants, shops and consulting rooms. Max- Planck Institut für Wissenschaftsgeschichte, Institut für Geschichte der Medizin (Charité Berlin) and CERMES (Paris). Berlin Nov 30-Dec 2, 2006.
- World Health Organization. Expert Committee on Biological Standardization. Geneva; October 23-27, 2006.
<http://www.who.int/biologicals/publications/trs/areas/vaccines/meningococcal/MenA%20Final%20BS204102.Nov.06.pdf>

- “National Pharmaceutical Strategy Working conference: Strengthening the evaluation of real world drug safety and effectiveness”. http://www.hc-sc.gc.ca/hcs-sss/pharma/mgmt-gest/strateg_e.html; Health Canada, Ottawa Sept 13-15, 2005.
- Navigating the Descriptive/Normative divide: Response at CIHR Training Programme Retreat, Dunsmuir Lodge; May 15-19, 2004
- A biopolitics of global health interventions. Discussant and Commentary for Symposium on Uneven Collaborations and political dilemmas: positioning ethnography in health research. Robert Lorway and Maureen Murney, organizers. 31st Annual meetings of the Canadian Anthropological Society, London, Ontario, May 5-9, 2004
- Genomics, Genetics and Society: Bridging the Disciplinary Divides. Toronto, CIHR Institute of Genetics; April 15-17, 2004
- Presentation to Rx&D, Canada’s Research Based Pharmaceutical Industries. Ottawa; February 24, 2004
- Presentation to BIOTECanada and Biologics and Genetic Therapies Directorate. Health Canada, Ottawa; February 23, 2004
- ACADRE (Aboriginal Capacity and Development Research Environments) Workshop, Institute of Population Health, University of Ottawa, November 6, 2003, Ottawa.

- Skills Building Module: *Qualitative Research: theory, methods and action*. 3rd Annual Capacity Building Workshop – Making Inroads: Building Health Research Capacity Across Nova Scotia. Nova Scotia Health Research Foundation. September 26, 2003
- Anthropology of biotechnology and pharmaceuticals. *Humankind/Nature Interaction: Past, Present, Future*. International Union of Anthropological and Ethnological Sciences (IUAES), Florence, Italy, July 5-12, 2003
- Plenary Discussant: Anthropology of Science and Technology. Sponsored by *Critique of Anthropology*, Presenter Rayna Rapp. *Society for Anthropology in North America*, Halifax, Nova Scotia, May 11, 2003
- Regulatory Process & Practice: transparency tensions between scientific openness & proprietary secrecy. *Genome Canada*, GE3LS Winter Symposium, Montreal, Quebec, February 6-8, 2003
- Sufferer and Caregiver Strategies for living with Alzheimer's Disease. Symposium on Negotiating Personhood and Dignity Among People with Dementia, organized by Deborah O'Connor and JoAnn Perry. *17th World Congress of the International Association of Gerontology*, Vancouver, British Columbia, July 1-6, 2001
- If Meaning Counted: Measuring E/Affect in Antidementia Therapies. Symposium on Cultural Aspects of Quality of Life in Dementia Care, organized by Atwood Gaines and Peter Whitehouse. *17th World Congress of the International Association of Gerontology*, Vancouver, British Columbia, July 1-6, 2001
- Bioethics Workshop on the Social and Moral Dimensions of Hereditary Risk and Genetic Testing: creating a framework for comparative analysis. Exploratory Workshop, *Peter Wall Institute for Advanced Studies*, Vancouver, British Columbia, June 2-7, 2001
- HIDG/CIHR Workshop on Ethics, Society, Culture and Health. Dunsmuir Lodge, Universities of Victoria and British Columbia, August 11-12, 2000

Organizer/Chair of Workshops (9)

- Workshop Organizer/Chair. North South Workshop for an African decision-making framework for vaccines – Part 2. Montreal, Canada. April 27 – 28, 2009.
- Workshop Chair. Reassessing the Governance of Clinical Trials: Preventing Real World Risks at the Gate. A Technoscience & Regulation Research Workshop. Halifax, Nova Scotia. March 9-10, 2009.
- Workshop Organizer/Chair. North South Workshop for an African decision-making framework for vaccines – Part 1. Burkina Faso, Africa. February 28 – March 3, 2009.
- Workshop/Symposia Organizer: *Qualitative Research Software: a series of workshops* sponsored by the Nova Scotia Health research Foundation. With Raewyn Bassett. May 12, May 25-29, June 19-22, 2006.
- Co-Organizer (with Peter Stephenson): “Anthropology and Aging: contesting the paradigm of loss”, Canadian Anthropology Society, Montreal, May 9-14, 2006.
- Session Coordinator of Keynote Speaker: Dr. Elwyn Griffiths. “Distinguished Leaders in Medicine Series,” Dalhousie University, Faculty of Medicine, February 2006
- Session Organizer: “Accounting for us: Social science in, of, betwixt and between bioethics”, Susan Cox, Margaret Dorazio, Sharon Batt, Christina Holmes, Fern Brunger. Canadian Bioethics Society Conference, Halifax NS, Oct. 21, 2005.

- Session Organizer: Border crossings: Reflections on Multi-sited Ethnographies of Science, Technology and Medicine. Joint meeting of the Society for North American Anthropology, Canadian Anthropology Society and Yucatan Anthropology Society, Merida, Mexico, May 5, 2005.
- International Harmonization & Smart Regulation at Health Canada. Organized session on Biopolitics, 31st Annual meetings of the Canadian Anthropological Society, London, Ontario, May 5-9, 2004

EDUCATIONAL WORKSHOPS AND SPECIAL PANELS

- Omics/Ethics: Nutrigenomics, University of Montreal. "Aligning Socio-Ethical Studies with '-Omics' Technology Applications", Nov 20, 2009.
- Foetal sex determination and selective pregnancy termination. Dalhousie University Med 1 Ethics. With Dr. Emma Varley. April 15, 2009.
- Works in Progress Session (WIPS), Department of Bioethics, Dalhousie University. "From smart regulation to progressive licensing: seeking deliberative democracy at Health Canada," April 21, 2008.
- Special seminar on Qualitative research to BIOT 5801.03 (Susan Sherman, Professor), Topics in Health Care Ethics: Theories and Methods in Health Care Ethics, 2007, 2005, 2004, 2003.
- Maritime Health Technology Assessment Symposium, Feb 16-18, 2006 (attendance)
- Lecture, School for Resource and Environmental Studies (SRES), Dalhousie, Research Methods and Environment Education. Oct 31, 2005.
- Invited workshop: "Facilitators and Barriers of Conducting Methodologically Rigorous Research in Drug Policy and Medication Management in the Real World". www.impart.pharmacy.dal.ca, IMPART Research Unit (Initiative for Medication Management, Policy Analysis, Research & Training, College of Pharmacy, Dalhousie University, Sept 23, 2005.
- Works in Progress Session (WIPS), Department of Bioethics, Dalhousie University. "Regulatory Cultures" Sept 19, 2005
- Invited Workshop: "National Pharmaceutical Strategy Working conference: Strengthening the evaluation of real world drug safety and effectiveness". http://www.hc-sc.gc.ca/hcs-sss/pharma/mgmt-gest/strateg_e.html; Health Canada, Ottawa Sept 13-15, 2005.
- Lecture, SOSA 2001: Ethnography in Global Context: "Fieldwork in Practice" n=85 students; Dalhousie University. March 29, 2005
- Lecture INTD 3104: Community Development in Comparative Perspective n=40; Dalhousie University. March 23, 2005
- WIPS, Department of Bioethics, Dalhousie University. March 21, 2005
- Two hour graduate class for Sue Sherwin's Health Care Ethics course, Philosophy 5801 "Exploring the Meanings of Justice and Injustice in Health Care" n=20; Dalhousie University. Feb. 9, 2005
- Lecture in Lindsay Du Bois' undergraduate Social Research course. Feb. 2005
- Lecture in Sue Sherwin's graduate course: Philosophy 5801 Health Care Ethics. "An anthropologist doing bioethics: the word, the world and the worried", February 2004
- September 2003-February 2004 Preceptor for Med 1 Elective on international health inequities for Chloe McAlister, September 2003-February 2004

- Organized and presented Grant Writing & Scholarship Workshop for the Department of Anthropology & Sociology, October 18 2000
- Organized and presented Grant Writing & Scholarship Workshop for the Department of Anthropology & Sociology, October 21 1999
- Organized Cultural Diversity panel for 161 first year medical and dental students as part of Doctor, Patient & Society (DPAS) course, October 6 1999
- Organized a First Nations Health Workshop, in association with the Institute for Aboriginal Health and the First Nations Centre for Learning for 161 first year medical and dental students as part of Doctor, Patient & Society (DPAS) 410, September 29 1999
- Co-organized Cross-Cultural Health Practices, first year orientation to dental and medical students, Faculty of Medicine, UBC, August 1999
- Organized and presented Workshop on Goal Attainment Scaling for Short Term Assessment & Treatment Centre at Vancouver Hospital & Health Science Centre and the Canadian Physiotherapy Association, March 26 1999

SCHOLARLY GRANTS AWARDED

RESEARCH GRANTS

Year	Research Title	Granting Agency	Amount	Role
2009	Articulating Standards and Practices of Health Regulation: A Grant Writing Workshop	CIHR	\$18,003	Principal
2009	Regulatory challenges to the development of new vaccines: Mapping emergent relations between science, evidence and policy	CIHR	\$98,980	Principal
2009	PHAC/CIHR Influenza Research Network (PCIRN)	CIHR	\$10.8m	Co-Applicant (S Halperin, PI)
2009	Real-World Risks: Understanding drug regulation in an era of contested knowledge	Nova Scotia Health Research Foundation (NSHRF)	\$2300.00	Principal
2008-2009	North-South workshop for an African decision-making framework for vaccines	CIHR	\$25,000	Principal
2008-2009	Real-World Risks: Understanding drug regulation in an era of contested knowledge	Situating Science Cluster (SSHRC)	\$10,000	Principal
2008-2009	Real-World Risks: Understanding drug regulation in an era of contested knowledge	CIHR	\$5,000	Principal
2007-2012	Canada Research Chair in Bioethics - Renewal	CIHR	\$500,000	Principal

2007-2009	Unpacking the public-private gap in the applications of 'omics' technologies: A socio-ethical analysis of pharmacogenomics research funding.	CIHR	\$100,000	Co-Applicant (Vural Ozdemir,PI)
2006-2007	Trust in Science, CBC Radio Ideas Program, CBC Radio 5 part series	Nova Scotia Health Research Foundation (NSHRF)	\$5,000	Co Applicant (Ian Stewart)
2006	Choosing, Learning and Using Qualitative Data Analysis Software: A Workshop Series	Nova Scotia Health Research Foundation (NSHRF) Capacity Award	\$20,000	Principal
2005 - 2010	Risks and regulation of novel therapeutic products: A case study of biologics and emerging genetic technologies	Canadian Institutes of Health Research (CIHR) Operating Grant (MOP 74473)	\$505,824	Principal Investigator (PI)
2005 - 2010	Substitute consent for research involving decisionally incapacitated older adults: A nationwide study of knowledge, opinion and practices	Canadian Institutes of Health Research (CIHR) Operating Grant (MOP 200409)	\$296,687	Co-Investigator (Gina Bravo)
2005	International comparative study of resiliency in youth (Letter of Intent)	Social Sciences and Humanities Research Council of Canada (SSHRC)	\$20,000	Co-Applicant (M. Ungar)
2003 - 2006	An Int'l Collaboration to Study Resilience in Children Across Cultures	Nova Scotia Health Research Foundation	\$ 111,700	Co-Applicant (M. Ungar)
2002-2007	Canada Research Chair in Bioethics	Canadian Institutes of Health Research (CIHR)	\$500,000	Principal Investigator (PI)
2002 - 2005	Methodological and contextual challenges researching childhood resilience: an international collaboration to develop a multiple method research design to investigate health-related phenomena in at-risk child populations	Social Sciences and Humanities Research Council of Canada (SSHRC), Research Development Initiative	\$ 135,000	Co-applicant (M. Ungar, PI)
2002 - 2004	A population-based approach to adolescent substance use	Canadian Institutes of Health Research (CIHR)	\$ 123,440	Co-applicant (C. Poulin, PI)
2000 - 2005	Articulating a Cultural Matrix of Health: towards an integrative epidemiology**	Canadian Institutes of Health Research (CIHR) New Investigator Award	\$ 275,000	Principal Investigator (PI)
2000 - 2001	Matters of the Heart and Mind: Negotiating and Assessing Personhood and Dignity among elderly Canadians with Dementia	SSHRC/CIHR Tri-council, Networking Program	\$ 29,695	Principal Investigator (PI)
2000 - 2001	Pain and Suffering and the Health of Canadians	SSHRC/CIHR Tri-Council Networking Proposal	\$ 29,750	Co-Investigator (J. Segal)
2000 - 2001	When Improvement Means Problems: Quality of Life and Ethical Implications of Anti-Dementia Therapies	UBC-HSSR Large Grant	\$ 4,875	Principal Investigator (PI)
2000	Centre for Studies in Autobiography, Gender and Age	Canadian Foundation for Innovation (CFI)	\$ 100,000	Co-Investigator (V. Raoul)

1999 - 2004	Financing the Pipe: Cultural Meanings of Disease in the Life History of Pharmaceuticals	SSHRC	\$ 480,000	Co-Investigator (U. Fleising)
1999 - 2002	Narratives of Disease, Disability and Trauma	Peter Wall Foundation	\$ 500,000	Co-Investigator (V. Raoul)
1999 - 2000	Residential care services for the elderly	UBC-HSSR Large Grant	\$ 4,994	Principal Investigator (PI)
1999	Financing the Pipe: Cultural Meanings of Disease in the Life History of Pharmaceuticals	SSHRC Strategic Initiatives Letter of Intent	\$ 5000	Co-Investigator (U. Fleising)
1999	Values, Cultures and Ethics in Risk Communication and Decision Making	SSHRC Strategic Initiatives Letter of Intent	\$5000	Co-Investigator (T. McDaniels)
1998 - 2003	Modeling Dynamics for Success and Frailty in Aging	Novartis Foundation for Gerontological Research	US \$ 41,000 (CAD\$57,000)	Principal Investigator (PI)
1998 - 2000	Follow-up of Atlantic Heart Survey	Medical Research Council	\$ 801,945	Co-investigator (K. McPherson)
1998 - 1999	Long-term care client population in Vancouver	UBC-HSSR	\$ 2000	Principal Investigator (PI)
1998	Rate of decline in function in Alzheimer's disease	QEII Health Sciences Research Fund	\$ 14,950	Principal Investigator (PI)
1998	Women's experiences obtaining sexual health services in rural N.S.	Maritime Centre of Excellence for Women's Health	\$ 13,770	Co-Applicant (D. Langille)
1997	Vector diagnostics of dementia	Camp Hill Medical Research Fund	\$ 9,990	Principal Investigator (PI)
1996	Algorithm for dementia	Camp Hill Medical Research Fund	\$ 9,000	Principal Investigator (PI)

** CIHR New Investigator Award terminated early as of June 30, 2002 at University of British Columbia, to accept Canada Research Chair in Bioethics at Dalhousie University (awards cannot be held at same time)*

RESEARCH GRANTS SUBMITTED/PENDING

Year	Research Title	Granting Agency	Amount	Role
2009	Equity issues in vaccine coverage and triage for critical care: Key lessons from H1N1/09	CIHR Catalyst Grant: Health Equity	\$74,932	Principal Investigator
2009	Health Interventions for Equity: The rollout of the new conjugate Meningococcal A vaccine in sub Saharan Africa	CIHR Catalyst Grant: Health Equity	\$74,998	Principal Investigator

RESEARCH CONTRACTS

Year	Granting Agency	Subject	Amount	Principal Investigators
1998 – 2000	Pfizer Canada	Defining expectations and effects of treatments with an anti-dementia medication in patients with Alzheimer's disease	\$1,300,000	J. Graham, K. Rockwood

1997 – 1998	Hoechst, Marion, Roussel, Inc.	Defined Target Symptoms	\$ 60,000	J. Graham, K. Rockwood
-------------	--------------------------------	-------------------------	-----------	---------------------------

CIHR TRAINING PROGRAMS

Year	Title	Granting Agency	Amount	Role
2002 - 2008	Ethics of Health Research and Policy Training Program	Canadian Institutes of Health Research (CIHR) Strategic Training Program Grants	\$1,857,736	Co-Investigator (M. MacDonald)

INFRASTRUCTURE GRANTS

2002 - 2006	Qualitative Research Methodology Laboratory	Canada Foundation for Innovation (CFI)	\$ 136,535 (\$341,336)	Principal Investigator (PI)
2002 - 2006	Qualitative Research Methodology Laboratory	Nova Scotia Research and Innovation Trust (NSRIT)	\$ 136,535	Principal Investigator (PI)
2002-2006	Qualitative Research Methodology Laboratory	TOTAL FUNDING IN KIND (\$37,898) & RECEIVED (\$371,646)	\$ 409,544	

SCHOLARLY REVIEW ACTIVITIES

Grant Panels (6)

- Canadian Institutes of Health Research (CIHR) Team Grant: Pandemic Preparedness – Influenza Biology, Vaccines, Ethics, Legal and Social Research (2008)
<http://www.irsc.gc.ca/3/32804.html>
- Health Policy Research Program, Health Canada (2004)
- Canadian Institutes of Health Research (CIHR) Humanities Perspectives on Health Grant Panel (2002-2004)
- Canadian Institutes of Health Research (CIHR) Health Ethics, Law & Humanities Grant Panel (2001-2003)
- Canadian Institutes of Health Research (CIHR) New Investigator Salary Award (2001)
- University of British Columbia Internal Review Committee, Canadian Foundation for Innovations (CFI) New Opportunities, Canada Research Chairs (2000-2001)

Ad hoc Grant Review (8)

- The Economic and Social Research Council (ESCR), United Kingdom
- College of Reviewers, Canada Research Chairs Program
- Canadian Institutes of Health Research
- Social Science and Humanities Research Council
- Alzheimer Society of British Columbia
- Alzheimer Society of Canada

- National Health Research Development Program
- Netherlands Organisation for Scientific Research (NWO, the Dutch Research Council)

Ad hoc Manuscript Review (15 Journals)

- Bioethics
- Healthcare Policy
- New Genetics and Society
- Anthropologica
- Canadian Journal on Aging
- The Canadian Review of Sociology and Anthropology/ La Revue canadienne de sociologie et d'anthropologie.
- Culture Medicine Psychiatry
- International Journal of Cross-Cultural Gerontology
- International Psychogeriatrics
- Medical Anthropology
- Pharmacoepidemiology and Drug Safety
- Public Understanding of Science
- Social Studies of Science
- BioSocieties
- BioMed Central (BMC) Medical Ethics

PROFESSIONAL MEMBERSHIPS AND ACTIVITIES

JOURNAL EDITORIAL/ADVISORY BOARDS (4)

- *International Editorial Advisory Board, Current Pharmacogenomics and Personalized Medicine (2009)*
- *Member, Culture Medicine and Psychiatry (2007-present)*
- *Associate Editor, International Psychogeriatrics (1998-present)*
- *Executive Treasurer, ex officio, Anthropologica (2003-2005)*

INTERNATIONAL ACTIVITIES (12)

- North South Workshop for an African decision-making framework for vaccines. Burkina Faso, Africa (Part 1). Workshop Chair. February 28 – March 3, 2009.
- North South Workshop for an African decision-making framework for vaccines. Montreal, Canada (Part 2). Workshop Chair. April 27-28, 2009.
- African Vaccine Regulatory Forum (AVAREF), Ouagadougou, Burkina Faso, Africa. September 2007
- Visiting Scholar, Meningitis Vaccine Project (MVP), PATH-Europe, Ferney-Voltaire, France <http://www.meningvax.org/about-mvp.htm> February 2007
- Visiting Senior Fellow, BIOS Centre for the Study of Bioscience, Biomedicine, Biotechnology and Society, London School of Economics and Political Science, U.K. Oct 27-Dec 31, 2006.

- Max Planck Institute for the History of Science, Berlin. Workshop: Drug Trajectories V: Ways of Regulating, Nov 30-Dec 2, 2006.
- World Health Organization, Invited observer to Expert Committee on Biological Standardization Annual meeting, Geneva; Oct 23-27, 2006. WHO Report produced: WHO (2006) Recommendations to assure the quality, safety and efficacy of Group A Meningococcal Conjugate Vaccines.
<http://www.who.int/biologicals/publications/trs/areas/vaccines/meningococcal/MenA%20Final%20BS204102.Nov.06.pdf>
- Regulating Biomedicines research consortium, Leeds Social Science Institute, Leeds University, U.K.
- World Health Organization, Invited observer to Scientific and Technical meeting, WHO International Standardization of Biologics consultation on serogroup A Meningococcal A (African conduit) conjugate vaccine, Geneva; June 22-23, 2006.
- Neurosciences and Society Network, Social Studies of Neuroscience
<http://www.lse.ac.uk/collections/neuroscienceAndSocietyNetwork/>
- Global Biopolitics Research Group; <http://www.ioh.uea.ac.uk/biopolitics/>
- Science, Technology and Medicine Special Interest Group, Society for Medical Anthropology (American Anthropology Association); Organizer (2003-present)
- American Society for Bioethics and Humanities Abstract Submission Reviewer, Social Sciences Committee (2003)

NATIONAL COMMITTEES (7)

- Vice-President (President Elect), Canadian Anthropology Society (2009-2010)
- Chair, Expert Advisory Panel, Special Access Program, Health Canada (2008)
- Clinical Research Initiative Steering Committee, Canadian Institutes of Health Research (CIHR) (2007) <http://www.cihr-irsc.gc.ca/e/32223.html>.
- Research Associate for the Canadian Centre for Vaccinology (2007-present)
- Executive Treasurer, Canadian Anthropology Society (2003-2005)
- Canadian Association of Anthropology Conference Organization (2003)
- Canadian Association of Anthropology Conference Abstract Reviewer (2003)

UNIVERSITY COMMITTEES (14)

- Member, Faculty of Medicine Curriculum Committee: Social & Behavioural Sciences in Medicine (September 2009-present)
- Dalhousie University Faculty of Medicine Library Committee (June 2008-present)
- Dalhousie University Health Sciences Human Research Ethics Board (2005-2006)
- Search & Hiring Committee, Department of Bioethics, Dalhousie University (2005-2006)
- Library Committee, Department of Bioethics, Dalhousie University (2003-present)
- Division of Medical Education “Changing Worlds, Diversity and Health Care”, Associate Board Member (2005-present)
- Mentor; CIHR Strategic Training Program in Ethics of Health Research and Policy, Dalhousie University (2002-present)
- Mentor; CIHR Strategic Training Program in Health Law and Policy, Dalhousie University (2002-present)

- Faculty of Graduate Studies, Dalhousie University (2002-present)
- Executive Committee, Department of Anthropology & Sociology, University of British Columbia (2000-2002)
- Chair of Admissions Committee, Anthropology Graduate Studies, Department of Anthropology & Sociology, University of British Columbia (2000-2001).
- Search and Appointments Committee, Museum of Anthropology, University of British Columbia (2000-2001)
- Search and Appointments Committee, Department of Anthropology & Sociology, University of British Columbia (1999-2001)
- Chair, Graduate Awards, Anthropology Graduate Studies Committee, Department of Anthropology & Sociology, University of British Columbia (1999-2000)
- Member, Anthropology Graduate Studies Committee, Department of Anthropology & Sociology, University of British Columbia (1998-1999)

PROFESSIONAL MEMBERSHIPS

- American Anthropological Association (AAA)
- Association for Anthropology and Gerontology (AAG)
- Canadian Anthropology Society (CASCA)
- Canadian Association on Gerontology (CAG)
- Canadian Bioethics Society (CBS)
- Consortium of Canadian Centres for Clinical Cognitive Research (C5R)
- Canadian Congress of Neurological Sciences
- Gerontological Society of America (GSA)
- International Psychogeriatrics Association (IPA)
- Social Studies of Science
- Society for Applied Anthropology (SAA)
- Society for Medical Anthropology (SMA Society for Social Studies of Science (4S))

TENURE, PROMOTION AND REAPPOINTMENT REVIEWS

- Sylvia Abonyi, (considered for tenure), Department of Community Health and Epidemiology, University of Saskatchewan, 2009.
- Sergio Sismondo, (promotion to the rank of Professor), Department of Philosophy, Queens University, 2009.

SUPERVISION AND TEACHING

AREAS OF SPECIAL INTEREST AND ACCOMPLISHMENT

Teaching Interests: Building a theoretical and methodologically robust evidence based foundation for critical evaluation and research; Medical Anthropology; Science & Technology Studies; Qualitative Research; Applied Anthropology; Anthropology, Bioethics & Epidemiology: concepts, evidence and action research; Risks & Regulatory Practices; social epidemiology; medical school curriculum development (Doctor, Patients & Society);

Establishing links for community and clinical research experiences for graduate methods students; Building an evidentiary base for treatment effects, diagnostic practice and public health through qualitative research and social inquiry.

EXTERNAL DOCTORAL DISSERTATION EXAMINER (3)

- Robin Ann Downey, Controversy, Innovation and Social movements: Stem Cell Research Paths in Canada. Thesis submitted in Faculty of Graduate Studies, Faculty of Communication and Culture, University of Calgary, 2008.
- Kevin Ross Peters, Neuropsychological characterization of Cognitively-Impaired-Not-Demented Individuals. Thesis submitted in Faculty of Graduate Studies, Department of Psychology, University of British Columbia, 2003.
- Rory Coughlan, General Medical and Birthing Experiences of New Mothers in the Capital Health Region: An Empirical and Socio-historical Investigation into the Concept of Personal Agency. Thesis submitted in Faculty of Graduate Studies, Department of Psychology, University of Victoria, 2002.

POSTDOCTORAL SUPERVISION (11)

- Amrita Mishra, PhD. Linkages between Vaccines, Attitudes and Local Institutions in Canada (2009-2010).
- Farah Huzair, PhD. Regulation and Innovation in Canada: Pandemic Influenza Vaccines (2009-2010).
 - Pending Project Funding: *Challenges to Vaccines Development in Canada: The Care of the HAI Assay in the Development of the H1N1 Influenza Vaccines* (CIHR Fellowship, \$44,972, Primary Supervisor: Janice Graham)
- Alexander Borda-Rodriguez, PhD. Knowledge Translation and Vaccine Interventions in the Global South (2009-2010).
- Emma Varley,, PhD. Maternal illness and mortality rates among Muslim women. Title of Postdoctoral Fellowship: *Kalashnikovs and Black Magic: Insurgent Reproduction in Pakistan's Northern Areas.* (2008-2009)
- Marylène Dugas, PhD. Global health, disease and society. (2007-2009).
- Robert Nuttall , PhD. Health technology assessment. (September 2008 – March 2009).
- Christina Holmes, PhD. Anthropology/Interdisciplinary Studies, Dalhousie University. Title of Postdoctoral Fellowship: *Analysis of the ethical, environmental, economic, legal and social issues related to genomics research.* (January – August 2008)
- Mavis Jones, PhD. Political, Social and International Studies, University of East Anglia, UK. Title of Postdoctoral Fellowship: *'Relevant' expertise in the governance of risk: The regulation of biologics and genetic therapies.* (2006-2008)
- Geneviève Imbert, PhD. Public Health, U de Montréal; Anthropology, U Bordeaux 2, France. Title of Postdoctoral Fellowship: *Safety, Effectiveness, and Risk in Diabetes Therapies across Regulatory Directorates* (September 2007 – February 2008)

- Raewyn Bassett, PhD. Sociology, University of British Columbia; Dr. Bassett is an international consultant in Qualitative Research and is now an Assistant Professor at Dalhousie University. Title of Postdoctoral Fellowship: *Qualitative Analysis of Dementia Narratives*. (2002-2003)
- André Smith, PhD. Sociology, McGill University; Dr. Smith is now an Assistant Professor at the University of Victoria. Title of Postdoctoral Fellowship: *Alzheimer's Therapies from the Bench to the Bedside*. (2000-2002)

DOCTORAL SUPERVISION (4)

- Christina Holmes, Anthropology/Interdisciplinary Studies doctoral student. SSHRC Doctoral fellowship; CIHR Institute of Genetics Travel Funding; International Development Research Council (IDRC) Doctoral Research Award. "Seeds, Scientists and Genetically Modified Organisms: Genetic Engineering Practices and Global Connections." Multi-sited fieldwork in Canada and Columbia, focusing on the design of genetically modified organisms in different laboratories. Dissertation completed April 11, 2008.
- Sharon Batt, Interdisciplinary Studies doctoral student. CIHR Training Fellow in Health Research Ethics and Policy. Project: Public Pressure, Private Prescription: Drug Company Funding of Patient Advocacy Groups in Canada (2009 expected).
- Brenda Grzetic, Interdisciplinary Studies doctoral student (Committee member). SSHRC (Canada Graduate Scholarship). A Gender and Health Study of Seasonal Migrant Workers from Rural Newfoundland. "Women's seasonal migration from rural Newfoundland and Labrador." Visual ethnography, focusing on the gender and health dynamics of migration processes (2009 expected).
- Craig Candler, Anthropology, University of British Columbia. Research funded by SSHRC Doctoral Fellowship and International Development Research Council. I supervised Craig Candler's doctoral coursework and comprehensive examination for his thesis "Mapping the connections between changing land use and child health problems in rural northern Thailand". Craig transferred to the supervision of Dr. Bill McKellin upon my departure from UBC to meet supervisory protocol of department. Craig subsequently completed his PhD at UBC in 2008 and is currently Research Associate in the Canadian Circumpolar Institute, U Alberta).

INTERNAL DOCTORAL DISSERTATION DEFENSE EXAMINER/CHAIR (3)

- Maria Barroetavena, Department of Health Care and Epidemiology, University of British Columbia, (Chair), 2001
- Pilar Riano, Department of Anthropology, University of British Columbia, (Chair), April 3, 2000
- Timothy Paterson, doctoral candidate, Department of Anthropology, University of British Columbia, (Examiner), November 17, 1999

DOCTORAL COMPREHENSIVE DEFENSE EXAMINER/CHAIR (5)

- Hirokuni Tateyama, Department of Anthropology doctoral comprehensive defense, University of British Columbia (Chair), May 15, 2001
- Jane McMillan, Department of Anthropology doctoral comprehensive defense, University of British Columbia (Chair), November 22, 2000
- Patty Ginn, Department of Anthropology doctoral comprehensive defense, University of British Columbia (Chair), May 2, 2000
- Dan Small, Department of Anthropology Doctoral Comprehensive defense, University of British Columbia (Examiner), April 20, 1999
- Anne Goodfellow, Department of Anthropology doctoral candidate, University of British Columbia (Chair), February 1999

GRADUATE STUDENT COMMITTEES AND SUPERVISION (20)

Student Name	Program Type	Year Start Finish		Principal Supervisor	Committee
Rachel Barken	M.A.	2009		F.Martin/J.Graham	
Rachel Hasse	M.A.	2009		F.Martin/J.Graham	
Greg Hutton	M.A.	2008	2009	B. MacDonald	J. Graham
Elizabeth Toller	M.A.	2006	2008	J.Graham/B.Noble	J. Graham
Brenda Grzetic	Ph.D.	2004		P.Gardner Barber	J. Graham
Sharon Batt	Ph.D.	2003		J. Graham	
Christina Holmes	Ph.D.	2001	2008	J.Graham	
Genevieve MacNeil	M.A.	2002	2005	Denise Nuttall	J. Graham
*Craig Candler	Ph.D.	2000	2008	J.Graham/McKellin	
Mariko Nagoshi	Ph.D.	2000	2001	M. Creighton	J. Graham
*Barbara Purves	Ph.D.	1999	2005	JoAnn Perry	J. Graham
Louise Racine	Ph.D.	1999	2004	Joan Anderson	J. Graham
Bryn William-Jones	Ph.D.	1999	2002	Michael Burgess	J. Graham
*Rohinee Lal	M.A.	1999	2003	W. McKellin	J. Graham
Adam Rafalovitch	Ph.D.	1998	2002	Bob Ratner	J. Graham
Denise Marion	M.Sc.	1996	1999	Susan Kirkland	J. Graham
Robert Lorway	M.A.	1997	1999	Jerome Barkow	J. Graham
Justin Jagosh	M.A.	1996	1998	Richard Beazley	J. Graham
Dylan Turner	M.A.	1997	1999	Tania Li	J. Graham
Emily Marshall	M.Sc.	1997	1999	Don Langille	J. Graham

*Supervised Candler & Lal and on supervisory committee for Purves while at the University of British Columbia until 2002 when transferred to Dalhousie University.

HONOURS STUDENT COMMITTEES AND SUPERVISION (2)
