

TRRU Team Productivity - 2009

1. PUBLICATIONS

1.1. Papers published or in press in peer-reviewed journals

Holmes, Christina and Janice Graham. (2009) GMOs as Public Goods: Plant Biotechnology Transfer in Colombia. *Culture & Agriculture*, 31(1): 26-38.

Graham, Janice. (2008). Facilitating regulation: The dance of statistical significance and clinical meaningfulness in standardizing technologies for dementia. *BioSocieties*, 3 (3):241-263.

Ozedmir, V., Janice Graham, B. Godard. (2008). Race as a variable in Pharmacogenomics Science: From empirical ethics to publication standards. *Pharmacogenetics and Genomics* 18: 837-841.

M. Dugas, E. Dubé, B. Kouyaté et G. Bibeau. Portrait of a Lengthy Vaccination Trajectory in Burkina Faso: From Cultural Acceptance of Vaccines to Actual Immunization. *BMC International Health and Human Rights*. Accepted in April 2009.

A. Sanou, S. Simboro, B. Kouyaté, M. Dugas and G. Bibeau. Assessment of factors associated with complete immunization coverage in children aged 12-23 months: a cross-sectional study in Nouna district, Burkina Faso. *BMC International Health and Human Rights*. Accepted in April 2009.

M. Dugas, E. Dubé et G. Bibeau. Translating malaria by sumaya: Justified convention or inappropriateness? *Anthropology & Medicine*. Accepted in March 2009.

M. Dugas, E. Dubé, B. Kouyaté et G. Bibeau. Enquête sur le transfert de connaissances concernant le paludisme par les professionnels de la santé aux consultants dans la région de Nouna au Burkina Faso. *Cahiers d'études et de recherche francophones/Santé*. Volume 18, Numéro 3, 149-54, juillet-août-septembre 2008.

Rockwood, K., S. Fay, M. Gorman, D. Carver , Janice Graham (2007). The clinical meaningfulness of ADAS-Cog changes in Alzheimer's disease patients treated with donepezil in an open-label trial. *BMC Neurology*, 7: 26-36.

Bassett, Raewyn and Janice Graham. (2007). Memorabilities: Enduring relationships, memories and abilities in dementia. *Ageing & Society*, 27(4): 533-554.

Batt, Sharon. (2007) Limits on Autonomy: Political meta-narratives and health stories in the media. *American Journal of Bioethics* 7(8): 23-25.

Ozdemir, V., B. Williams-Jones, Janice Graham, S.H. Preskorn, D. Gripeos, S.J. Glatt , R.H. Friis , C. Reist, S. Szabo, J. Lohr , T. Someya. (2007). Asymmetry in scientific method and limits to cross-disciplinary dialogue: Towards a shared language and science policy in pharmacogenomics and human disease genetics. *Journal of Investigative Medicine*, 55 (3): 130-141.

Graham, Janice and Raewyn Bassett. (2006). Reciprocal Relations: The recognition and

co-construction of caring with Alzheimer's disease. *Journal of Aging Studies*, 20(4): 335-349.

Graham, Janice and Karen Ritchie. (2006). Mild Cognitive Impairment: ethical considerations for nosological flexibility in human kinds. *Philosophy, Psychology and Psychiatry*, 13(2): 31- 43.

Graham, Janice. (2006). Reifying Relevance in Mild Cognitive Impairment: An appeal for care and caution. Response to Commentaries. *Philosophy, Psychology and Psychiatry*, 13(1): 57- 60.

Ozdemir, Vural; Eleni Aklillu, Steven Mee, Leif Bertilsson, Lawrence J. Albers, Janice Graham, Michael Caligiuri, James B. Lohr, Christopher Reist (2006). Pharmacogenetics for off-patent antipsychotics: Re-framing the risk for tardive dyskinesia and access to essential medicines. *Expert Opinion on Pharmacotherapy*, 7(2): 119-133.

Graham, Janice. (2005). Smart Regulation: Will the government's strategy work? *Canadian Medical Association Journal*, 173 (12): 1469-1470.

Ozdemir V, W. Kalow, L .Tothfalusi, L. Bertilsson, L. Endrenyi, Janice Graham. (2005). Multigenic control of drug response and regulatory decision-making in pharmacogenomics: The need for an upper bound estimate of genetic contributions. *Current Pharmacogenomics*, 3(1) 53-71.

Whitehouse, Peter, Atwood Gaines, Heather Lindstrom, Janice Graham. (2005). Anthropological contributions to the understanding of age-related cognitive impairment. *Lancet Neurology*, 4 (5):320-326.

Graham, Janice. (2005). Qui s'occupe des réglementations? Les technologies émergentes et les "smart regulations." *L'encyclopédie de L'Agora*. Retrieved from http://agora.gc.ca/colloque/gga.nsf/Conferences/Qui_s_occupe_de_la_boutique_reglementaire_Nouvelles_technologies_et_reglementation_intelligente.

Holmes, Christina. (2008). O fascínio dos cientistas colombianos pela engenharia genética de plantas. (In Portuguese. English translation: The lure of plant genetic engineering for Colombian scientists) *Sociologias*, 19: 40-61.

Holmes, Christina. (2006). GMOs in the lab: Objects without everyday controversy. *Focaal: The European Journal of Anthropology*, 48: 35-48.

Nathoo, T., Christina Holmes and A. Ostry. (2005). An analysis of the development of Canadian food fortification policies: The case of Vitamin B. *Health Promotion International*, 20(4): 375-382.

1.2. Papers submitted

Sanou, A., Simboro, S., Kouyate, B., Dugas, M., Graham, J., & Bibeau, G. (2009). Assessment of factors associated with complete immunization coverage in children ages 12-23 months: A cross sectional study in Nouna district, Burkina Faso. In press, BMC International Health and Human Rights.

Graham, Janice & Nuttall, Rob. (2009). Declining innovation with faster access to new drugs in Canada suggests fault lines between Health Canada's regulatory intent and industry practices. Submitted.

Varley, Emma. "Ocean Waves & Roadside Spirits: Thai Health Providers' Experience of the 2004 Tsunami." Primary author: Emma Varley; co-authors Wanrudee Isaranuwatchi and Dr Peter C. Coyte, CRC/CIHR Chair, HPME University of Toronto). Submitted to *Social Science & Medicine* February 11 (2009); revised and re-submitted March 20, 2009.

Varley, Emma. "Targeted Doctors, 'Missing' Patients: Obstetric Health Services and Sectarian Conflict in Northern Pakistan." Submitted to *Social Science & Medicine* for a Special Issue ("Conflict, Violence & Health"), March 9, 2009.

Bickerstaff, K., Lorenzoni, I., Jones, M., and Pidgeon, N. (2008). Locating scientific citizenship? The institutional contexts and cultures of public engagement. In press, *Science, Technology and Human Values*.

Jones, Mavis and Janice Graham. (2008). Determining evidence: A symmetrical approach to evidence-based regulation of health technology risk. *Social Studies of Science*.

Jones, M. and Salter, B. (2008). Proceeding carefully: assisted human reproduction policy in Canada. In press, *Public Understanding of Science*.

Turnpenny, John, Irene Lorenzoni, and Mavis Jones. (2008). "Wicked, noisy, and definitely not normal: post-normality in the environment, energy and health. *Environmental Science & Policy*.

Jones, Mavis and Janice Graham. (2008). Multiple institutional rationalities in the implementation of new public policy: an ethnographic examination. *Science and Public Policy*.

1.3 Published and in press books and chapters

Graham, Janice. (2009). Facilitating regulation: Technologies of efficacy and effectiveness for dementia drugs. In Jean-Paul Gaudillière, Volker Hess and Hans Jörg Rheinberger (Eds.), *Ways of regulating: Therapeutic agents between plants, shops and consulting rooms*. Berlin: Max-Planck Institut für Wissenschaftsgeschichte. Preprint 363, Berlin, pp 225-246.

Mishra, Amrita. 2009 'The place and Space of Research Work: Studying Control in a Bioscience Laboratory', in (Eds.) Wahlberg, A., Bauer, S., and Jessen, H. (2009) *Contested Categories*, Aldershot: Ashgate.

Mishra, Amrita. 2009 'From the Pap Smear to Bethesda 2001: The Making of a Diagnostic Lexicon' in (Eds) Bamme, A. and Wieser, B. *Jahrbuch IAS-STS*, München, Wien: Profil Verlag.

Stephenson, Peter and Janice Graham, eds. *Aging and Loss: contesting the dominant paradigm*. University of Toronto Press. Expected for publication 2009.

Batt, Sharon. Health advocacy groups and funding from the pharmaceutical industry. In *Prescriptions for women: Public policy and the regulation of medicines in Canada*. Toronto: Canadian Scholars' Press. Accepted for 2009 publication.

Batt, Sharon. Marching to different drummers: health advocacy groups and funding from the pharmaceutical industry. In A. Rochon Ford and D. Saibil (eds.) *The Push to Prescribe: Women and the Canadian Drug Policy*. Toronto: Canadian Scholars' Press. (Fall 2009 Publication Date).

Batt, Sharon. Full circle: Drugs, the environment and our health. In *Prescriptions for women: Public policy and the regulation of medicines in Canada*. Toronto: Canadian Scholars' Press. Accepted for 2009 publication.

Batt, Sharon and Abby Lippman. Preventing disease: Are pills the answer? In A. Rochon Ford and D. Saibil (eds.) *The Push to Prescribe: Women and the Canadian Drug Policy*: Toronto: Canadian Scholars' Press (Fall 2009 publication date).

Graham, Janice (2006). Diagnosing dementia: Epidemiological and clinical data as cultural text. In Annette Leibing and Lawrence Cohen (Eds.), *Thinking about Dementia: Culture, loss and the anthropology of senility* (80-105). New Jersey: Rutgers University Press.

Bibeau, Gilles, Janice Graham and Usher Fleising. (2006). Bioscience and biotechnology under ethnographic surveillance: Where do Canadian medical anthropologists stand? In Francine Saillant and Serge Genest (Eds.), *Medical Anthropology: Regional perspectives and shared concerns*. London: Blackwell.

Bibeau, Gilles, Janice Graham and Usher Fleising (2005). Biosciences et biotechnologies sous surveillance ethnographique: Où se situent les anthropologues médicaux canadiens? Dans Francine Saillant et Serge Genest (Eds.), *Anthropologie médicale. Ancrages locaux, défis globaux* (23-59). Québec/Paris: Les Presse de l'Université Laval/Anthropos (l'édition française).

Holmes, Christina and Peter H. Stephenson. From Narratives of Loss to Narratives of Care: Acute Care Hospitalization from the Perspective of Older Patients. In Peter Stephenson and Janice Graham (Eds.), *Anthropology and aging: Contesting the paradigm of loss*. Toronto: University of Toronto Press. Accepted for 2009 publication.

1.4 Chapters Submitted

Graham, Janice. The science, politics and everyday life of recognizing effective treatments for dementia. In Peter Stephenson and Janice Graham (Eds.), *Aging and loss: contesting the dominant paradigm*. University of Toronto Press. Expected for publication 2009.

Graham, Janice. Tectonic diagnostics: Sociotechnical relations in diagnosing dementia. In preparation for submission.

1.5 Theses

Holmes, Christina. (2008). Seeds, Scientists & Genetically Modified Organisms: Genetic Engineering Practices and Global Connections. (PhD dissertation, Dalhousie University).

Toller, Elizabeth (2008). Framing Regulation as Competitive Advantage: An Anthropological Analysis of Natural Health Product Commercialization. (MA thesis, Dalhousie University).

1.6 Reports

Graham, Janice (Chair) for the Expert Advisory Panel on the Special Access Programme, Health Canada. Report and Recommendations, September 2008.

Graham, Janice. Report to Nova Scotia Health Research Fund (NSHRF) Research Capacity Building Award on the Qualitative Research Software Series. 2008

Graham, Janice, Report on CIHR's Commitment to Psychosocial Qualitative Research. Submitted to Seniors Psychosocial Interest Group towards developing a senior's psychosocial research agenda in Canada. Canadian Invitational Symposium on Removing Barriers to the Use of Psychosocial Approaches to Support Seniors' Mental Health, in Practice, Policy and Research, 2004.

1.7. Other publications

Jones, Mavis. Collaborating as editor on a special issue on Post-Normal Science for Science, Technology & Human Values (Expected to be slated for 2011).

Batt, S. (in press) Pharmaceutical drugs in the environment and women's health. Network magazine (published by the Canadian Women's Health Network, Winnipeg). Special health and the environment issue. November 2008.

Fugh-Berman, Adriane and Sharon Batt (2006) "This May Sting a Bit: Cutting CME's Ties to Pharma." *Virtual Mentor: Ethics Journal of the American Medical Association*. 8(6): 416-419.

Bravo, G, S.M. Wildeman, C.A. Cohen, M.F. Dubois, Janice Graham, K. Painter. Searching for the person legally authorized to give substitute consent for research purposes: preliminary work for the SCORE Study. 8th International Conference on Alzheimer's and Parkinson's Diseases. Salzburg, Austria, March 14-18, 2007.

Jones, Mavis. (2007) Section author: Psychosocial aspects of rhGH treatment for Turner Syndrome. Canadian Agency for Drugs and Technologies in Health (CADTH), *Report on the use of recombinant human growth hormone for the treatment of Turner's syndrome*.

2 PRESENTATIONS

2.1 Invited presentations

Varley, Emma. International Health Office (IHO; Dalhousie University). March 2, 2009. Halifax, Nova Scotia. Presented a research-based paper, "States of Health in a Weak State: Pregnancy, Childbirth and Conflict in Northern Pakistan" for faculty, staff and students on behalf of the International Health Office.

Varley, Emma. Department of Bioethics (Dalhousie University). February 16, 2009. Halifax, Nova Scotia. Presented a research-based paper, "Conflicted States, Embattled Bodies: Making Sense of Maternal Health in Northern Pakistan" for faculty, students and staff as part of WIPS (Works In-Progress Seminar series), Department of Bioethics.

Graham, Janice and Mavis Jones. "Regulatory modernization and relevant expertise". Technoscience and Regulation Research Unit presentation to Health Canada Atlantic Staff Retreat. (Wolfville, Nova Scotia. December 4, 2008).

Graham, Janice and Mavis Jones. "Regulatory modernization and relevant expertise". Technoscience and Regulation Research Unit presentation to Health Canada Atlantic. (Halifax, Nova Scotia. October 21, 2008).

Emma Varley. "Islamic Medicine, Muslim Patients, Policy & Service Possibilities for Health Canada (Atlantic)" Technoscience and Regulation Research Unit presentation to Health Canada Atlantic. (Halifax, Nova Scotia. October 21, 2008).

Batt, Sharon. "Pharma flush: pharmaceutical drugs, the Environment and health policy". Presentation to Health Canada Atlantic Regional Office. (Halifax, NS. October 21, 2008).

Batt, Sharon. "Pills, pressure, policy: breast cancer groups and funding from the pharmaceutical industry". Presentation to Health Canada Atlantic Regional Office. (Halifax, NS. October 21, 2008).

Batt, Sharon. "Constructing and Contesting Visions of Citizenship: Identities, Networks and Pharma Funding of Patient Groups in Canada," Presented at the Centre for Economic and Social Aspects of Genomics (CESAGen), Lancaster University (Lancaster, England June, 2008)

Batt, Sharon. "The Science and Politics of Breast Cancer: Pharmaceutical company funding and breast cancer groups in Canada" Presented at the Centre for Economic and Social Aspects of Genomics (CESAGen), Lancaster University. (Lancaster, England. June, 2008)

Graham, Janice. Invited Panel Speaker for the Community and Population Health Research (CPHR) training Program and the Saskatchewan Population Health and Evaluation Research Unit (SPHERU) conference "New Directions in Population Health Research: Linking Theory, Ethics and Practice." University of Saskatchewan, November 12-14th, 2008.

Graham, Janice. "Accessing and Rights of Access" Society for the Arts in Dementia Care. Creative Expression, Communication and Dementia: Mindscapes 2008, May 2008 Vancouver, BC
<http://www.cecd-society.org/2008/>

Graham, Janice. Invited Lecturer. "Smart regulation, progressive licensing and the myth of deliberative democracy: Regulatory Practices at Health Canada." University of Manitoba, Community Health Sciences Colloquium & Grand Rounds, April 18th, 2008.

Graham, Janice. A symmetrical approach to regulation: will the scientists and policy wonks please rise? Invited workshop "Regulating Biotechnology Products: at the interface between science and ethics." Université Laval, Institut d'éthique appliqué, March 20, 2008.

Graham, Janice. Invited Lecturer. "Balancing risk: scientific evidence, political expediency and public opinion in the drug approval process in Canada" and "Contesting Paradigms of Loss in Again: the science, politics and everyday life of recognizing effective treatments for dementia." University of Saskatchewan, March 12-13, 2008.

Graham, Janice. Position paper: Including techniques and technologies for an integrated approach to unraveling capacity, competency and compassion. Decision-Making, Personhood & Dementia: Exploring the Interface Decision-Making, Personhood & Dementia: Exploring the Interface. Invitational Conference, Centre for Research on Personhood in Dementia, University of British Columbia. Vancouver, May 13-15, 2007.
<http://crpd.swfs.ubc.ca/decision-making-workshop/>

Graham, Janice. Informing Policy, Influencing Practice, Improving Health. Canadian Agency for Drugs and Technologies in Health Invitation Symposium, Ottawa, April 22-24, 2007.

Graham, Janice. Behind closed doors: Negotiations for the regulatory approval of drugs. Drug Trajectories V. Ways Of Regulating: Therapeutic agents between plants, shops and consulting rooms. Max- Planck Institut für Wissenschaftsgeschichte, Institut für Geschichte der Medizin (Charité Berlin) and CERMES (Paris). Berlin Nov 30-Dec 2, 2006.

Graham, Janice. World Health Organization. Expert Committee on Biological Standardization. Geneva; October 23-27, 2006.
<http://www.who.int/biologicals/publications/trs/areas/vaccines/meningococcal/MenA%20Final%20BS204102.Nov.06.pdf>

Graham, Janice. Regulating Biopharmaceuticals. Regulating Biotechnologies Symposium, Leeds Social Science Institute. Organized by Anne Kerr, University of Leeds, U.K. July 24-25, 2006.
<http://www.leeds.ac.uk/sociology/conference/conference.htm>

Graham, Janice. British Columbia Ministry of Health consultation on funding of Alzheimer's treatments, July 2006, Vancouver

Graham, Janice. World Health Organization Scientific and Technical consultation on serogroup A Meningococcal Conjugate Vaccines, Geneva, June 22-23, 2006.

Graham, Janice. Invited Commentator, Review of Research. SSHRC-ERA-SAGE Workshop "Trends in North American Research on the Ethical, Legal and Societal Aspects of Genomics." Ottawa, May 22-23, 2006.

Graham, Janice. Public Trust, Private Profit: Safeguarding Health in the Approval of Emerging Therapies. Society for Applied Anthropology, Session organized by Sam Migliore & Marg Dorazio "Culture, Community and Well-being." March 28-April 1, 2006, Vancouver, B.C.

Graham, Janice. Regulating risks and uncertainty: An anthropological exploration of approving emerging drugs. Sociology and Anthropology Colloquium Series, Carleton University, March 13, 2006.

Graham, Janice. From a NOD to a NOC with a wink: smart policy and regulatory practices. Invited talk for Department of Community Health & Epidemiology Colloquium, Dalhousie University, Halifax, December 6, 2005.

Graham, Janice. "Money & Drugs." Invited Plenary speaker for Town Hall session, Annual Meeting, Canadian Bioethics Society, Halifax, Oct. 22, 2005.

Graham, Janice. Invited workshop: "Facilitators and Barriers of Conducting Methodologically Rigorous Research in Drug Policy and Medication Management in the Real World". www.impart.pharmacy.dal.ca, IMPART Research Unit (Initiative for Medication Management, Policy Analysis, Research & Training, College of Pharmacy, Dalhousie University, September 23, 2005.

Graham, Janice. "Looking Back, Looking Forward: lessons for governing emerging technologies.". Genome Canada, Ottawa, Sept 22, 2005.

Graham, Janice. Invited Presentation, Health Canada: "A Cultural Study of Regulation". Biological & Genetic Therapies Directorate, Health Canada, Sept 21, 2005.

Graham, Janice. Regulatory Cultures. Works in Progress Colloquium, Department of Bioethics, Dalhousie University, Halifax, Sept 19, 2005.

Graham, Janice. Invited Workshop: "National Pharmaceutical Strategy Working conference: Strengthening the evaluation of real world drug safety and effectiveness". http://www.hc-sc.gc.ca/hcs-sss/pharma/mgmt-gest/strateg_e.html; Health Canada, Ottawa Sept 13-15, 2005.

Graham, Janice. The Polio Vaccine: The First 50 Years and Beyond. International Association for Biologicals Conference. Toronto, June 5-7, 2005. (special invitation to attend, no paper delivered). <http://www.dimes.on.ca/events/iabs.asp?sect=curr>

Graham, Janice. Global harmony and smart regulations: into Big Pharma we commend our trust. Invited paper for session Psychotropic medications as translocal objects: an inquiry into critical pharmacology, Annette Leibling, organizer. Joint meeting of the Society for North American Anthropology, Canadian Anthropology Society and Yucatan Anthropology Society, May 8, 2005. Merida, Mexico.

Holmes, Christina. "Seeds, Scientists & GMOs: connections and inequality in the laboratory" Presented in the Department of Anthropology, York University (Toronto, ON, January, 2007)

Holmes, Christina. "Globetrotting after GMOs: Is Science the Same Everywhere?" Presented in the Department of Anthropology graduate colloquium series, University of Victoria (Victoria, BC, October, 2006)

Holmes, Christina. "The Globalization of GMOs: Tracing Globalization among Plant Scientists" Presented in the Interdisciplinary PhD Seminar Series, Dalhousie University (Halifax, NS, September, 2006)

Holmes, Christina. "GMO Scientists: Perspectives on GMOs, controversy and regulation in Canada and Colombia". Presented at the Health Canada Seminar Series (Ottawa, ON, September 28, 2005).

Jones, Mavis. "Integrating patient and consumer voices in evidence-based regulatory decisions about risks and benefits" (with Mary Moreland, Health Products and Food Branch). The Regulatory Craft in Nova Scotia, Halifax, Canada. November 20, 2007.

Jones, Mavis. "The Policy on Public Input: Extending the evidence base". Health Canada Policy Forum, Ottawa, Canada. October 30, 2007.

2.2 Peer-reviewed conference presentations

Graham, Janice. "Just evidence in assessing risk in emerging health products". Canadian Bioethics Society. Hamilton, Ontario, Canada. June 11-14, 2009.

Graham, Janice. "Governing Clinical Trials: Preventing Real World Risks at the Gate". Canadian Anthropology Society (CASCA). Vancouver, Canada. May 13-15, 2009.

Varley, Emma. Working Title: "Islamist Positions, Everyday Struggles: The Intersection of Sectarian Conflict, Iranian-Shia and Saudi-Sunni Missionization and Women's Health in Pakistan's Northern Areas". Pakistan

Workshop. Department of Anthropology, University of Sussex (UK). May 8-10, 2009. Rook Howe, The Lake District, Cumbria.

Varley, Emma. CASCA/AES Panel Presentation. Panel Title: "Contested Evidence, Systemic Failures, Productive Creativity: Ethnographies of Health Practice." (Department of Anthropology, UBC; May 13-16, 2009).

Graham, Janice. Global Challenge, Local Action: Ethical Engagement, Partnerships and Practice. Society for Applied Anthropology (Santa Fe, New Mexico. March 17-21, 2009).

Varley, Emma. Paper accepted March 2008 - Islamic Ethnography. Autumn 2009/Spring 2010 (Louvain-la-Neuve, Brussels or Dubai, UAE). Paper working title: "As'Sihr, Kala Jhadu, Badal (Islamic Sorcery, Black Magic, Revenge): Woman-Centered Ritual Practice and Subversive Social Agency in Pakistan's Northern Areas".

Varley, Emma. Society for Medical Anthropology (SMA) Panel Presentation
Panel Working Title: "Medical Anthropology in Imperilled Places, Conflicted Spaces" (Yale University, September 24-27, 2009) Conference application deadline April 15, 2009.

Varley, Emma. American Anthropological Association; Individual Paper. Paper Working Title: forthcoming (Philadelphia, PA; December 2-6, 2009). Conference application deadline April 1, 2009.

Batt, Sharon. "Two Disciplines and a Wedding? A Feminist Exploration of Interdisciplinary Boundaries in Bioethics." Nancy's Chair in Women's Studies Conference, Mount Saint Vincent University (Halifax, April, 2008)

Mishra, Amrita. 'Surveillance and Control In A Life Science Laboratory: Making a Space Scientific' Meet of the Society for Social Studies of Science (4S) and European Association for the Study of Science and Technology (EASST), Rotterdam, Netherlands. August 20-23 2008.

Mishra, Amrita. 'Internet Use and boundary control in a life science laboratory: An ethnographic commentary' 7th IAS-STIS Annual Conference, Graz, Austria. May 8-9 2008.

Batt, Sharon. "Ethnography through the Looking Glass: Bioethics as a lens for examining particularism debates in the study of justice." For session: Does Everyone Have to be an anthropologist? American Anthropological Association Meetings. (Washington DC, November-December, 2007)

Batt, Sharon. "Epistemological Partners or Sugar Daddies? The contested legitimacy of Pharma funding and patient advocacy groups." For session: Ask your doctor about ... Science and Commerce in Canadian Health. Society for Social Studies of Science Meetings (4S) (Montreal, October, 2007)

Batt, Sharon. "Changing Boundaries: Using Qualitative Methods to Study Ethics and Patient Advocacy Movements." Canadian Bioethics Society Meetings (Halifax, October, 2005)

Batt, Sharon. "Multi-sited Ethnography in a Global Wired Village." Canadian Anthropological Society Meetings (Merida, Mexico, May 2005)

Batt, Sharon. "The ethics of easier access to pharmaceutical drugs: Beauchamp and Childress re-examined." (Winner of Student Abstract Award) Canadian Bioethics Society Meetings, (Calgary, October, 2004)

Graham, Janice. Regulatory science and politics: a case study of emerging biologic technologies in Canada. Society for the Social Studies of Science, Rotterdam, The Netherlands, August 20-23, 2008.

Graham, Janice. Struggling for Global Benefits: Colombian Plant Genetic Engineering within Global Biotechnology (with Holmes, C) [Poster] GE3LS Symposium, Calgary, April 28-30, 2008

Graham, Janice. Anthropology, ethnography and bioethics. Paper accepted in session organized by Magdalena Kazubowski-Houston and Janice Graham, "Does Everyone Have to be an Anthropologist?" American Anthropological Association, Washington, D.C., November 28-December 2, 2007.

Graham, Janice. Things that fall short in translation: A comparison of health technology assessment and regulatory approval. Paper accepted for GEIRSO 2nd International Conference, The Pharmaceutical Lifecycle: Interdisciplinary Perspectives on Diversity and Complexity. Theme: 2.2 Regulation: economic, ethical and political issues. Montreal. Oct 14-17, 2007.

Graham, Janice. Inside Out: From the Test Tube to the Dinner Table. Paper accepted for Society for the Social Study of Science. Montreal, October 11-13, 2007.

Graham, Janice. Counting Meanings, Disappearing Memories, Re-Constructing Pharmacological Treatment Efficacy. Canadian Anthropology Society, May 12, 2006.

Graham, Janice. Smart Regulation: Does Accelerating Access to New Drugs Improve the Drug Approval Process? [Poster] 18th Annual CHSPR Health Policy Conference: Towards a National Pharmaceutical Strategy, Lessons from Abroad, February 9-10, 2006, Vancouver, B.C. <http://chspr.ubc.ca/files/publications/2006/chspr06-10.pdf>; <http://www.chspr.ubc.ca/hpc/>

Graham, Janice. From a NOD to a NOC with a wink: how drugs (that don't work) get approved. American Anthropological Association 104th Annual Meeting, Dec 1, 2005, Washington, DC, USA.

Graham, Janice. "Biologicals are illogical": Making radiopharmaceuticals fit into regulatory systems . Joint meeting of the Society for North American Anthropology, Canadian Anthropology Society and Yucatan Anthropology Society, May 5, 2005, Merida, Mexico.

Holmes, Christina. "First for the Country and Then for the World": Colombian Interventions in Plant Genetic Engineering within Global Biotechnology." Society for Social Studies of Science Meetings (4S) (Rotterdam, August, 2008)

Holmes, Christina. "Regulating Boundary Objects: Adapting the 'scientific view' of genetically modified organisms (GMOs) to regulation." Canadian Anthropological Society Meetings (CASCA) (Ottawa, May, 2008).

Holmes, Christina. "Knowing Genetic Engineering in Colombia: Balancing Hope and Scientific Hegemony" Society for Social Studies of Science Meetings (4S) (Montreal, October, 2007).

Holmes, Christina. "The Lure of Plant Genetic Engineering for Colombian Scientists" Latin American Studies Association Congress (LASA) (Montréal, September, 2007).

Holmes, Christina. "Scientists and Globalization: Perceptions of Plant Biotechnology from the Margins" Society for Social Studies of Science Meetings (4S) (Vancouver, November, 2006).

Holmes, Christina. "Performing GMOs into Being: An Archeology of Plant Knowledge" Canadian Anthropological Society Meetings (Montreal, QC, May 2006)

Holmes, Christina. "GMOs in the Lab: Objects without Everyday Controversy" American Anthropological Association Meetings (Washington, DC, USA, November 2005)

Holmes, Christina. "Ethics in the Lab: Qualitative Research in a Biotechnology Unit" Canadian Bioethics Society meetings (Halifax, NS, October 2005)

Holmes, Christina. "The Botany of Translocality: Transgenic Plants, Actor Network Theory, and Multisited Ethnography" Canadian Anthropological Society Meetings (Merida, Mexico, May 2005).

Holmes, Christina. "Seeds, Scientists and Sustenance: What are We Genetically Engineering Plants for?" Canadian Anthropological Society Meetings (London, Ontario, May 2004).

Jones, Mavis. "Embattled frontiers and growing pains: negotiating 'relevant' expertise in Canadian health regulation." For session: (Re)Thinking Expertise: Spaces of Production, Performance, & the Politics of Representation. UK Royal Geographical Society (London, UK, August 30-September 1, 2008).

Jones, Mavis. "What is post-normal science? A critical review of its development, definitions and usages." (with J. Turnpenny and I. Lorenzoni). For session: How good is post-normal science at addressing wicked issues? Society for Social Studies of Science and European Association for Studies in Science and Technology (4S/EASST) (Rotterdam, The Netherlands, August 20-24, 2008).

Jones, Mavis. "Integrating public input in the evidence base for safety review." For session organized by Health Canada: Public involvement in the regulation of health products: methodologies for assessing and incorporating public input in regulatory decision making. Drug Information Agency (Boston, USA, June 22-26, 2008).

Jones, Mavis. "Multiple rationalities in evidence-based decision making." For session: Authority, agency and bodies: sites of encounter in the anthropology of regulation. Canadian Anthropology Society (CASCA) (Ottawa, Canada, May 8-10, 2008).

Jones, Mavis. "Expanding the evidence base." Drug Information Association (DIA) meeting: Blueprint for an Evolving Regulatory Environment for Pharmaceuticals in Canada. Ottawa, Canada, October 29-30, 2007.

Jones, Mavis. "Getting the Full Picture: Defining relevant evidence and expertise in regulatory review of marketed products." Paper for symposium: Researchers 'in the field' at Health Canada: cultures of evaluating drugs, biologics, and natural health products. GEIRSO: The Pharmaceutical Life Cycle Conference - Interdisciplinary Perspectives on Diversity and Complexity. Montréal, Canada, October 14-17, 2007.

Jones, Mavis. "Knowledge translation of a different kind. Taking the social with the technical." Paper for session: Ask your doctor about... Science and Commerce in Canadian Health. Society for Social Studies of Science (4S), Montréal, Canada. October 11-13, 2007.

Jones, Mavis. "Qual + Quant = ? Integrating the social with the technical in a regulatory evidence base." International Symposium on Technology and Society (ISTAS), Las Vegas, USA. May 31-June 2, 2007.

Toller, Elizabeth. "Claims-in-the-Making: An anthropological analysis of techniques for natural health product commercialization." For session: Authority, agency and bodies: sites of encounter in the anthropology of regulation. Canadian Anthropology Society (CASCA), Ottawa, Canada. May 8-10, 2008.

Toller, Elizabeth. "Commercial Advertising of Natural Health Products: Do Patents and Trademarks Mean 'Good' Science?" Paper for session: Ask your doctor about... Science and Commerce in Canadian Health Society for Social Studies of Science (4S), Montréal, Canada. October 11-13, 2007.

Toller, Elizabeth. "Intersections of Intellectual Property, Regulation, and Natural Health Products: Knowledge Practices in Drug Commercialization." Canadian Anthropology Society (CASCA), Toronto, Canada, May 8-12. 2007

2.3 Peer-reviewed posters

Graham, Janice and Jones, Mavis. (2009). "Determining evidence in the assessment of health product risk". 7th Annual Cochrane Symposium (Halifax, March 11-12, 2009).

Batt, Sharon. (2008) "Pharmaceutical company funding of breast cancer groups and implications for cancer care in Nova Scotia". 2008 Nova Scotia Cancer Research Symposium (Halifax, November 5, 2008).

Batt, Sharon. (2007) "How Patients' Advocacy Groups Perceive Funding from the Pharmaceutical Industry: Ethics, Realities, and Impacts on Policy." School of Pharmacy Research Day (Dalhousie University, September 20, 2007).

Graham, Janice Smart Regulation: Does Accelerating Access to New Drugs Improve the Drug Approval Process? 18th Annual CHSPR Health Policy Conference: Towards a National Pharmaceutical Strategy, Lessons from Abroad, February 9-10, 2006, Vancouver, B.C. <http://chspr.ubc.ca/files/publications/2006/chspr06-10.pdf>; <http://www.chspr.ubc.ca/hpc/>

Jones, Mavis and Mary Moreland (Health Canada). "Extending the evidence base to enhance the quality of regulatory safety review of health products". Health Canada Science Forum (Ottawa, Canada, November 7-9, 2007).

Holmes, Christina. "Hazarding the Knowledge Maize: Expert Knowledge and Risk in the Controversy over Transgenic Food." GE3LS (Genome Canada section to analyze the ethical, environmental, economic, legal and social issues related to genomics research) Winter Symposium (Montreal Feb. 6-8, 2003).

2.4 Convened conference panels

Graham, Janice. Workshop Organizer/Chair. North South Workshop for an African decision-making framework for vaccines – Part 1. Burkina Faso, Africa. February 28 – March 3, 2009.

Graham, Janice. Workshop Organizer/Chair. North South Workshop for an African decision-making framework for vaccines – Part 2. Montreal, Canada. April 27 – 28, 2009.

Graham, Janice. Workshop Chair. Reassessing the Governance of Clinical Trials: Preventing Real World Risks at the Gate. A Technoscience & Regulation Research Workshop. Halifax, Nova Scotia. March 9-10, 2009.

Holmes, Christina. Robert Olivio, Rick B. Duque, and Christina Holmes (Co-Organizers), "Locations: Latin America", Society for Social Studies of Science Meetings (4S) (Rotterdam, August, 2008).

Holmes, Christina and Janice Graham. Authority, agency and bodies: sites of encounter in the anthropology of regulation. Presenters: Jennifer Cuffe, Dianne Grant, Kathy Buddle-Crowe, Christina Holmes, Mavis Jones, Richard Lee, Robyn Lim (Health Canada), Harriet Rosenberg, Elizabeth Toller, James Waldram. Canadian Anthropology Society (CASCA), (Ottawa, Canada, May 8-10, 2008).

Jones, Mavis. Ask your doctor about... Science and Commerce in Canadian Health. Presenters: Sharon Batt, Janice Graham, Mavis Jones, and Elizabeth Toller. Society for Social Studies of Science (4S) (Montréal, Canada October 11-13, 2007).

Graham, Janice. Workshop/Symposia Organizer: Qualitative Research Software: a series of workshops sponsored by the Nova Scotia Health research Foundation. With Raewyn Bassett. May 12, May 25-29, June 19-22, 2006.

Graham, Janice. Co-Organizer (with Peter Stephenson): "Anthropology and Aging: contesting the paradigm of loss", Canadian Anthropology Society, Montreal, May 9-14, 2006.

Graham, Janice. Session Coordinator of Keynote Speaker: Dr. Elwyn Griffiths. "Distinguished Leaders in Medicine Series," Dalhousie University, Faculty of Medicine, February 2006

Graham, Janice. Session Organizer: "Accounting for us: Social science in, of, betwixt and between bioethics", Susan Cox, Margaret Dorazio, Sharon Batt, Christina Holmes, Fern Brunger. Canadian Bioethics Society Conference, Halifax NS, Oct. 21, 2005.

Graham, Janice Session Organizer: Border crossings: Reflections on Multi-sited Ethnographies of Science, Technology and Medicine. Joint meeting of the Society for North American Anthropology, Canadian Anthropology Society and Yucatan Anthropology Society, Merida, Mexico, May 5, 2005.

Graham, Janice Symposium Organizer: Medical Anthropology at the edge of the Post-human/Posthumous Genome. Joint conference of the Canadian Anthropology Society and the Society for Anthropology in North America, Halifax, Nova Scotia, May 8-11, 2003.

2.5 Public Consultation Activities

Graham, Janice. Drug Safety Effectiveness Network Workshop: Potential Legal and Ethical Risks Associated with Post-Market Drug Surveillance Research. Canadian Institutes of Health Research. March 6, 2009. Toronto, Canada.

Graham, Janice. Panel on Research Ethics: Navigating the Ethics of Human Research. Tri-Council Policy Statement (TCPS) Regional Consultation Tour. March 5, 2009. Halifax, Nova Scotia.

Graham, Janice. The Expert Advisory Panel on the Special Access Programme, Health Canada. 2008.

Graham, Janice. African Vaccine Regulatory Forum (AVAREF), Ouagadougou, Burkina Faso, Africa. September 2007.

Graham, Janice. Health Canada, Progressive Licensing Project – Mock Framework Consultation 3. Post-Licensing. Ottawa, June 11-12, 2007

Graham, Janice. Health Canada, Progressive Licensing Project – Mock Framework Consultation 2. Licensing. Ottawa, May 29-30, 2007. <http://www.cmaj.ca/cgi/content/full/176/13/1845>; http://www.hc-sc.gc.ca/dhp-mps/homologation-licensing/index_e.htm

Graham, Janice. Health Canada, Progressive Licensing Project – Mock Framework Consultation 1. Regulatory Planning. Ottawa, May 28, 2007. <http://www.cmaj.ca/cgi/content/full/176/13/1845>; http://www.hc-sc.gc.ca/dhp-mps/homologation-licensing/index_e.html

Graham, Janice. Informing Policy, Influencing Practice, Improving Health. Canadian Agency for Drugs and Technologies in Health Invitation Symposium, Ottawa, April 22-24, 2007.

Graham, Janice. World Health Organization. Expert Committee on Biological Standardization. Geneva; October 23-27, 2006.
<http://www.who.int/biologicals/publications/trs/areas/vaccines/meningococcal/MenA%20Final%20BS204102.Nov.06.pdf>

Graham, Janice Invited Commentator, Review of Research. SSHRC-ERA-SAGE Workshop “Trends in North American Research on the Ethical, Legal and Societal Aspects of Genomics.” Ottawa, May 22-23, 2006.

Graham, Janice. British Columbia Ministry of Health consultation on funding of Alzheimer’s treatments, July 2006, Vancouver.

Graham, Janice. World Health Organization Scientific and Technical consultation on serogroup A Meningococcal Conjugate Vaccines, Geneva, June 22-23, 2006.

Graham, Janice. Invited Workshop: “National Pharmaceutical Strategy Working conference: Strengthening the evaluation of real world drug safety and effectiveness”. http://www.hc-sc.gc.ca/hcs-sss/pharma/mgmt-gest/strateg_e.html; Health Canada, Ottawa Sept 13-15, 2005.

Graham, Janice The Polio Vaccine: The First 50 Years and Beyond. International Association for Biologicals Conference. Toronto, June 5-7, 2005. (special invitation to attend, no paper delivered).

3 FUNDING

Dugas, Marylene. Postdoctoral Fellowship FQRSC (Fonds québécois de la recherche sur la société et la culture) 2009-2010. \$ 32,000.

Graham, Janice. Research Capacity Award, Nova Scotia Health Research Foundation. Real-World Risks: Understanding drug regulation in an era of contested knowledge. 2009. \$2300.00.

E. Toller, J. Graham, M. Jones. Workshop grant, Real-World Risks: understanding drug regulation in an era of contested knowledge. CIHR Meetings, Planning and Dissemination Grants: Knowledge Translation, 2008. \$5000.

Jones, Mavis and Janice Graham. SSHRC Situating Science Cluster Workshop grant, Real-World Risks: Understanding drug regulation in an era of contested knowledge. 2008. \$10,000.

Batt, Sharon. Nora Stephen Oncology Scholarship. Cancer Care Nova Scotia Summer Research Scholarship. Pharmaceutical Company Funding of Cancer Patients' Groups: Results of a Case Study Applied to Cancer Care in Nova Scotia. 2008. \$6,500.

Batt, Sharon. Doctoral Fellowship. Pills, Pressure and Patient Groups. CIHR research grant, Risks and Regulation of Novel Therapeutic Products: A Case Study of Biologics and Emerging Genetic Technologies (awarded to Dr. Janice Graham). 2007-2008. \$7,500.

Batt, Sharon. Doctoral Fellowship. Canadian Institute of Health Research (CIHR) Training Program in Ethics of Health Research and Policy. Department of Bioethics, Dalhousie University and the W. Maurice Young Centre for Applied Ethics, University of British Columbia. 2003-2007; 2008-2009. \$125,000.

Graham, Janice. Canadian Institute of Health Research. North-South workshop for an African decision-making framework for vaccines. 2008-2009. \$25,000.

Graham, Janice. Canadian Institute of Health Research. Real-World Risks: Understanding drug regulation in an era of contested knowledge. 2008-2009. \$5,000.

Graham, Janice. Canada Research Chair in Bioethics-Renewal. Canadian Institute of Health Research. 2007-2012. \$500,000.

Graham, Janice. Canadian Institute of Health Research. Unpacking the public-private gap in the applications of 'omics' technologies: A socio-ethical analysis of pharmacogenomics research funding. 2007-2009. \$100,000. With Vural Ozdemir, Principal Investigator.

Varley, Emma. Funding application submitted November 14, 2008; approved March 2009. "Immigrant Men's Health in the Rural Maritimes" (PI: Dr Blye Frank, Co-PI Emma Varley; Research Assistant Ted Naylor). Atlantic Metropolis Centre.

Varley, Emma. Funding application submitted/approved October 31, 2008 (\$5,000 + \$1,500 travel expenses). CIHR Training Grant in the Ethics of Health Research & Policy (2008-2009).

Graham, Janice, (Co Applicant with Ian Stewart). Nova Scotia Health Research Foundation. Trust in Science, CBC Radio Ideas Program, CBC Radio 5 part series. 2006-2007. \$5,000.

Graham, Janice. Nova Scotia Health Research Foundation Capacity Award. Choosing, Learning and Using Qualitative Data Analysis Software: A Workshop Series. 2006. \$20,000.

Graham, Janice. Canadian Institutes of Health Research Operating Grant. Risks and regulation of novel therapeutic products: A case study of biologics and emerging genetic technologies. 2005-2009. \$505,824.

Janice Graham. Canadian Institutes of Health Research Operating Grant. Substitute consent for research involving decisionally incapacitated older adults: A nationwide study of knowledge, opinion and practices. With Gina Bravo, Co-Applicant. \$296,687. (MOP 200409)

Graham, Janice and M. Ungari. Social Sciences and Humanities Research Council of Canada. International comparative study of resiliency in youth (Letter of Intent). 2005. \$20,000.

Graham, Janice and M. MacDonald. Canadian Institutes of Health Research Strategic Training Program Grants. Ethics of Health Research and Policy Training Program. 2002-2008. \$1,857,736.

Graham, Janice. Canada Foundation for Innovation. Qualitative Research Methodology Laboratory. 2002-2006. \$341,336.

Graham, Janice. Nova Scotia Research and Innovation Trust. Qualitative Research Methodology Laboratory. 2002-2006. \$136,535.

Holmes, Christina. Social Science and Humanities Research Council Doctoral Fellowship, 2004. \$20,000 per year.

Holmes, Christina. Canadian Institute of Health Research, Short Term Research Visit Grant, 2005. \$5,375.

Jones, Mavis. Post-Doctoral Fellowship, CIHR Institute of Genetics – Ethics, Law and Society. 'Relevant' expertise in the governance of risk: The regulation of biologics and genetic therapies, 2007-2009. \$45,000 per year.

4 KNOWLEDGE TRANSLATION ACTIVITIES

Batt, Sharon. Knowledge Translation Video: Script development and acting segment for "The Elevator Ads Saga" - an educational video on direct-to-consumer advertising used to introduce Dr. Barbara Mintzes public presentation, January 26, 2009; (also posted on You Tube and on the TRRU website).

Graham, Janice (2007) Inside out: from the test tube to the dinner table. Trust in Science: a five-part series exploring why we trust science. Public lecture, Halifax, January 23, 2007. Video and audio taped for distribution through public television network, www.CCEPA.ca, and for Canadian Broadcasting Corporation (CBC) Ideas programme.

Jones, Mavis. Invited observer, Health Canada Expert Advisory Committee on Pharmacovigilance, Halifax, Canada, June 12-13, 2008.

Jones, Mavis. Collaboration in drafting sections 2.4, 6.3, and 6.4 of the Health Products and Food Branch *Review of Regulated Products: Policy on Public Input*, Health Canada, 2007.

Jones, Mavis. Senior Policy Analyst, Office of Consumer and Public Involvement, Health Products and Food Branch, Health Canada, Ottawa, Canada, January 31 – June 7, 2007. (Employment term as part of research fieldwork.)

5 AWARDS AND RECOGNITION

Graham, Janice. Canada Research Chair in Bioethics, Dalhousie University (2002-2012)

Graham, Janice. Canadian Who's Who (2009 Edition)

Batt, Sharon. Canadian Environmental Award, Silver Award in Environmental Health (2005)

Batt, Sharon. Student Abstract Award, Canadian Bioethics Society (2004)

Batt, Sharon. Profiled in *Ethics Live!* Canadian Institutes of Health newsletter (October 2004)

6. SUPERVISION AND TEACHING

6.1 Postdoctoral Supervision

Graham, Janice. Supervision of Amrita Mishra, PhD. Power, authority and capital in the laboratory: A study of elites and modes of association in science, School of Social Sciences, Jawaharlal Nehru University, New Delhi, India. Title of Postdoctoral Fellowship: Ethnographic examination of vaccination (2008-2009).

Graham, Janice. Supervision of Farah Huzair, PhD. The regulation of agricultural biotechnology, The Open University, Innogen. Title of Postdoctoral Fellowship: Regulation in subsequent entry biologics. (2008-2009).

Graham, Janice. Supervision of Emma Varley, PhD. Maternal illness and mortality rates among Muslim women. Title of Postdoctoral Fellowship: Kalashnikovs and Black Magic: Insurgent Reproduction in Pakistan's Northern Areas. (2008-2009)

Graham, Janice. Supervision of Robert Nuttall, PhD. Health technology assessment. (September 2008 – March 2009).

Graham, Janice. Supervision of Marylène Dugas, PhD. Global health, disease and society. (2007-2009).

Graham, Janice. Supervision of Mavis Jones, PhD. Political, Social and International Studies, University of East Anglia, UK. Title of Postdoctoral Fellowship: *'Relevant' expertise in the governance of risk: The regulation of biologics and genetic therapies.* (2006-2008)

Graham, Janice. Supervision of Christina Holmes, PhD. Anthropology/Interdisciplinary Studies, Dalhousie University. Title of Postdoctoral Fellowship: Analyze the ethical, environmental, economic, legal and social issues related to genomics research. (January – August 2008)

Graham, Janice. Supervision of Geneviève Imbert, PhD. Public Health, U de Montréal; Anthropology, U Bordeaux 2, France. Title of Postdoctoral Fellowship: *Safety, Effectiveness, and Risk in Diabetes Therapies across Regulatory Directorates* (September 2007 – February 2008)

6.2 Doctoral Supervision

Graham, Janice. Supervision of Christina Holmes, Anthropology/Interdisciplinary Studies doctoral student. SSHRC Doctoral fellowship; CIHR Institute of Genetics Travel Funding; International Development Research Council

(IDRC) Doctoral Research Award. "Seeds, Scientists and Genetically Modified Organisms: Genetic Engineering Practices and Global Connections." Multi-sited fieldwork in Canada and Columbia, focusing on the design of genetically modified organisms in different laboratories. Dissertation completed April 11, 2008.

Graham, Janice. Supervision of Sharon Batt, Interdisciplinary Studies doctoral student. CIHR Training Fellow in Health Research Ethics and Policy. Project: Public Pressure, Private Prescription: Drug Company Funding of Patient Advocacy Groups in Canada (2009 expected).

Graham, Janice. Supervisory Committee member for Brenda Grzetic, Interdisciplinary Studies doctoral student. SSHRC (Canada Graduate Scholarship). A Gender and Health Study of Seasonal Migrant Workers from Rural Newfoundland." Women's seasonal migration from rural Newfoundland and Labrador." Visual ethnography, focusing on the gender and health dynamics of migration processes (2009 expected).

Graham, Janice. Supervision of Craig Candler, Anthropology, University of British Columbia. Research funded by SSHRC Doctoral Fellowship and International Development Research Council. I supervised Craig Candler's doctoral coursework and comprehensive examination for his thesis "Mapping the connections between changing land use and child health problems in rural northern Thailand". Craig transferred to the supervision of Dr. Bill McKellin upon my departure from UBC to meet supervisory protocol of department. Craig subsequently completed his PhD at UBC in 2008 and is currently Research Associate in the Canadian Circumpolar Institute, U Alberta).

6.3 Courses Taught/Invited Lectures

Mavis Jones and Janice Graham. Qualitative Research: Determining Evidence (BIOT 6045). Graduate methods seminar. Department of Bioethics, Dalhousie University, Winter 2009.

Jones, Mavis. "Post-normal science and Wicked Issues". SOSA 3250 - Beyond Genes & Circuits: The Sociology and Anthropology of Science (Instructor: Dr. Christina Holmes). Dalhousie University, October 6, 2008.

6.4. Educational Workshops and Special Panels

Graham, Janice and Emma Varley. Foetal sex determination and selective pregnancy termination. Med 1 Ethics. April 15, 2009.

Jones, Mavis. April 2008. Completion of Centre for University Teaching and Learning course towards the Certificate in University Teaching.

Graham, Janice. Works in Progress Session (WIPS), Department of Bioethics, Dalhousie University. "From smart regulation to progressive licensing: seeking deliberative democracy at Health Canada," April 21, 2008.

Graham, Janice. Maritime Health Technology Assessment Symposium, Feb 16-18, 2006 (attendance)

Graham, Janice. Invited workshop: "Facilitators and Barriers of Conducting Methodologically Rigorous Research in Drug Policy and Medication Management in the Real World". www.impart.pharmacy.dal.ca, IMPART Research Unit (Initiative for Medication Management, Policy Analysis, Research & Training, College of Pharmacy, Dalhousie University, Sept 23, 2005.

Graham, Janice. Works in Progress Session (WIPS), Department of Bioethics, Dalhousie University. "Regulatory Cultures" Sept 19, 2005

Graham, Janice. Invited Workshop: "National Pharmaceutical Strategy Working conference: Strengthening the evaluation of real world drug safety and effectiveness". http://www.hc-sc.gc.ca/hcs-sss/pharma/mgmt-gest/strateg_e.html; Health Canada, Ottawa Sept 13-15, 2005.

Lecture, SOSA 2001: Ethnography in Global Context: "Fieldwork in Practice" n=85 students; Dalhousie University. March 29, 2005
